Tuesday's Child Dale Mayer, 2011-06-17. What she doesn't want is exactly what he needs. Shunned and ridiculed all her life for something she can't control, Samantha Blair hides her psychic abilities and lives on the fringes of society. Against her will, however, she's tapped into a killer or rather his victims. Each woman's murder blow by blow ravages her mind until their death releases her back to her body. Sam knows she must go to the authorities but will the rugged no nonsense detective in charge of tracking down the killer believe her? Detective Brandt Sutherland only trusts hard evidence yet Sam's visions offer clues he needs to catch a killer. The more he learns about her incredible abilities however the clearer it becomes that Sam's visions have put her in the killer's line of fire. Now Brandt must save her from something he cannot see or understand and risk losing his heart in the process. As danger and desire collide passion raises the stakes in a game Sam and Brandt don't dare lose.

Dictionary of Southern Appalachian English Michael B. Montgomery, Jennifer K. N. Heinmiller, 2021-06-22. The Dictionary of Southern Appalachian English is a revised and expanded edition of the Weatherford Award winning Dictionary of Smoky Mountain English published in 2005 and known in Appalachian studies circles as the most comprehensive reference work dedicated to Appalachian vernacular and linguistic practice. Editors Michael B. Montgomery and Jennifer K. N. Heinmiller document the variety of English used in parts of eight states ranging from West Virginia to Georgia, an expansion of the first edition's geography which was limited primarily to North Carolina and Tennessee and include over 10,000 entries drawn from over 2,200 sources. The entries include approximately 35,000 citations to provide the reader with historical context, meaning and usage. Around 1,600 of those examples are from letters written by Civil War soldiers and their family members and another 4,000 are taken from regional oral history recordings. Decades in the making, the Dictionary of Southern Appalachian English surpasses the original by thousands of entries. There is no work of this magnitude available that so completely illustrates the rich language of the Smoky Mountains and Southern Appalachia.
