Homilies On Ascension:

The Holy Spirit Within Saint John (of Avila), 2012 St John of Avila proclaimed a doctor of the Church in October 2012 offers illuminating insights on the Holy Spirit in this collection of homilies first published by Scepter in 1959 Presented as sermons given around the feasts of Ascension and Pentecost the saint speaks directly and to the point yet is thoughtful and affectionate in his style He proceeds in the form of a dialogue to present the Great Unknown The sermons begin with a short introduction and then come to a particular point supported by Scripture texts quotations from the Fathers well chosen illustrations and his own original insights Many believers may find these feasts somewhat puzzling and obscure St John shows how they are among the greatest feasts in the Christian calendar and deserve to be better understood *Ninety-nine homilies ... upon the Epistles and Gospels for forty-nine Sundays of the Christian year, tr. by J.M. Ashley* Thomas Aquinas (st.), 1873 The Early Church in Its Context Abraham J. Malherbe, Frederick W. Norris, James W. Lord, I Love You! Homilies Through the Liturgical Year Pope Benedict XVI,2025-03-07 Pope Benedict XVI was known for his brilliant mind but he also had a heart in love with the Lord In this careful selection from his papal homilies readers can not only learn from his encyclopedic knowledge of the Christian tradition but grow in their own love for God as they journey with Benedict through the seasons and feasts of the liturgical year Lord I Love You Volume 1 includes the holiest days of Lent and Easter as well as other important solemnities such as Trinity Sunday and Corpus Christi making it an excellent choice for spiritual reading and a great Lenten gift idea for those who appreciated the late pope s message of the centrality of Christ and the reliability of the Catholic tradition Pope Benedict was not a charismatic preacher in the mold of his predecessor John Paul II but the texts themselves are gems of Christian exhortation and reflection that are best appreciated on one s knees in a chapel or held in one s hands in a quiet place in one s home that is in a book like this and not scrolling through a website For scholars and students of the late pope the collection also provides a helpful distillation of his main themes and principal concerns into short easily digestible pieces The editor Fr Pietro Rossotti uses the official Vatican translation with only minor spelling modifications and added footnotes with bibliographical references whenever possible
