Stafford, 2011-11-21 The year was 1970 when Misty was born The children in our family ranged in age from sixteen down to two and a half There were seven boys and one girl We lived in a two story house with a very large yard The back porch or hall as we called it was enclosed with a window looking out over the yard Our first and oldest child was Steve He was sixteen Second was Larry who was fifteen Third was Alan who was fourteen Next in line the fourth child and only daughter was Annette She was thirteen years old Fifth in line was David who was nine years old at the time Sixth in line was Kelly He was close to his seventh birthday Seventh in line was Todd and he was close to his sixth birthday Their birthdays were in April same time we got Misty Then the eighth child and youngest was Rick He was two and a half years old at the time Dad worked at his job at the V A Hospital and I Mom was a full time homemaker The children were all close in age and we were a very close knit family We cared about and helped each other We did things together Two of the older boys Larry and Alan were constantly into projects What one wouldn't think of to do the other one would The last and smallest family member was a white and black cat He had been rescued from an animal trap He had several names by our family One was Pickles because he was always being rescued another was Puddy some just preferred cat He didn't care As long as he was petted and loved and fed **Starting Over** Carla Freeman, 2008-01-02 Sara and Sam Moore raised two beautiful children Andrew and Angela in spite of being the head of the mob underworld Now the family is legit and has

diversified into other businesses Andrew and Angela have taken over the business to give Mom and Dad a chance to retire But still memories are forever and grudges eat away until one day their whole world crashes down around them Sam's sudden and tragic death has put Sara into a deep and depressive grieving period This hit on the family might be just the cure to get her back into life again Andrew and Angela have run the family for sometime and now must go encourage Sara to take back the helm But Sara must teach her children how to stay alive How to fight to win And most important how to keep their perspective while doing so The final book in this trilogy Sara is retired and the children are running the business Yet there is still someone out there that think that the Moores owe them The family must strap on their thinking caps as well as their guns and once again go to work
