

Tools for the Journey:

11 Tips for Talking to Your Daughter About Sex

Start early on.

Address the topic early on. In today's world, kids are hearing about sex at younger and younger ages. But the first messages that they hear are often the ones that stick with them. Make sure that you are giving them accurate facts and values first.

Don't avoid the topic.

If your daughter approaches you to have a conversation about sex, do not avoid it or pass the responsibility off to her mother. This is a lucky moment for you! Embrace it and have an open conversation with her.

Let her control the conversation.

Let her questions control the direction in which the conversation goes. Don't feel like you have to cover everything in one shot. Many times, their curiosity is just about that specific thing and other descriptions or explanations would only confuse or overwhelm them.

Modeling is important.

Even though indirect, the way you treat her mother and women in general will have an effect on how your daughter views relations and, eventually, sex.

Use current media.

If you're having trouble starting the conversation, utilize today's media. There are plenty of examples of healthy and unhealthy choices. Let these be starter topics that will lead to deeper conversation.

Talk about values.

Your daughter may choose to talk to mom, or another trusted woman, about a lot of her questions. But you can have a strong values discussion. Be honest about your expectations and values while asking her about hers.

Be honest.

As much as you may want to tell her things that will scare her so she never makes the decision to have sex, be honest with her. Stick to facts so that she is prepared. This will also help build trust between the two of you.

Don't force it.

Don't force the conversation on her. This isn't to say that you need to wait until she starts asking. Ease in to discussing sex through multiple, casual touch points so that she doesn't feel overwhelmed.

Be understanding.

Dad, sometimes you just have to let mom take the reins on certain things. And this just might be one of them. Be understanding if your daughter needs a woman's point of view on this instead of her daddy's.

Help her understand boys.

You are the house expert on all things boy, so help your daughter out. Help her understand the male perspective on sex— the unhealthy, selfish ways as well as the healthy, responsible ways.

Find some support.

If your daughter's mother isn't an option, find some help. It doesn't hurt to get a woman involved. That means finding someone you trust and who shares your values. You can tell your daughter all the right information and terms, but you'll never have the same perspective and experiences to share.

How To Talk With Your Daughter About Sex:

The Focus on the Family® Guide to Talking with Your Kids about Sex J. Thomas MD Fitch, David Davis, 2013-10-15 Sexual images saturate today's culture and children will learn about sex somewhere. But research shows that they want to learn from the parents they trust. Talking about sex doesn't have to be a fear-filled challenge. The Focus on the Family Guide to Talking with Your Kids about Sex shows parents how to talk with confidence to their kids about sex and sexuality. This candid resource is full of the latest information, practical insights, and age-appropriate answers to the questions parents and children ask about sex. Focus on the Family's Physicians Resource Council, along with research from The Medical Institute for Sexual Health, provides parents with the tools and empowering encouragement they need in order to communicate more effectively and biblically about sex, self-control, and self-respect at every stage of a child's development. **How to Talk with Your Kids about Sex** Dr. John Chirban, 2012-06-04 Equips parents to teach their children how to make sexuality a safe, healthy, and sacred part of their lives. How parents address sex, their openness, the context, and their attitudes will impact how their children view their own sexuality and self-worth. Dr. Chirban helps parents know when, how, and how much, and stresses the vital importance of their role in sex education. He uses humor, compassion, and real-life examples to prepare parents for healthy and ongoing conversations that equip their kids to own their own sexuality and provide an understanding of the larger issues of relationships, love, commitment, and intimacy. In addition, parents discover how helping their children grasp these veiled yet critical keys to a fulfilling life deepens their own connection with their children. With specific helps for children from birth through young adult, Dr. Chirban provides context for what needs to be communicated at each stage of their development, as well as tips for the inevitable surprise questions. In addition, he tackles complicated issues such as pornography, relationships, and the Internet, sexting, and homosexuality. Most important is the emphasis on strong family values and spirituality as it relates to sexuality. Previously released in 2007 as *What's Love Got to Do With It*, this revised book adds new insights from today's culture that make it even more relevant to parents and families. **How to Talk to Your Kid about Sex** William P. Smith, 2011-10-31 You don't want to make a big deal out of it. Isn't everyone else already talking about sex? Yes, they are talking, and their words are shaping your child's understanding right now. In a culture that glorifies casual sex, kids will only learn to think biblically about it when parents speak up. William P. Smith shares a practical **How To Talk To Your Kids About Sex** HowExpert Press, 2016-09-05 If you want to know the appropriate way of discussing sex to your children, then get *How To Talk to Your Kids about Sex* written by a real-life parent who has great advice in sharing how to talk to your kids about sex. Learn why you should talk about sex to your kids. Know how to talk about it. Be guided on when to start talking. Know what to say and how to say it appropriately to your child's age. Make your child aware of sex information to avoid danger of strangers. Questions and appropriate answers provided. And much more. HowExpert publishes quick how-to guides on all topics from A to Z by everyday experts. **How to Talk to Your Kids**

about Sex Rodney And Traci Wright, 2021-05 MOST PARENTS DREAD THE CONVERSATION They don't know how or when to talk to their kids about S E X However the mismanagement of sexuality is so prevalent in our world that understanding what is good and healthy about sex is a great place to start not just for our kids but for us too In *How To Talk With Your Kids About Sex* Rodney and Traci Wright help parents look into the cultures we are creating in our families and what it looks like to have an ongoing conversation with our kids based on 10 foundational principles As parents we have the opportunity to show our children a healthier pathway forward than many of us had If understood and managed correctly our sexuality can be the source of some of life's greatest joys and blessings Heaven on earth

How to Talk to Your Son about Fascism Craig A. Johnson, 2025-03-04 *How to Talk to Your Son about Fascism* is a practical guide for parents carers and others with young men in their lives on how to talk with those young men about fascism and the right wing which specifically and particularly preys on them for recruitment Its central goal is to present research history and analysis about how and why the right wing recruits young men to parents educators and anyone with a young person in their lives The book covers the history of right wing recruitment of young men explaining why the right wing focuses on recruiting men both on a theoretical basis and through the logic of movement building and then moves to practical analysis and suggestions for how to counter recruitment today Recommendations come from excerpts and existing scholarship Readers will come out of the book with a better understanding of what fascism is and how it works how it preys on young men how it recruits and appeals to them and how to stop this from happening This book will be of interest to antifascist researchers and activists as well as parents carers and the general reader concerned about the rise of the extreme right

How to Talk with Your Child about Sexuality Planned Parenthood Federation of America, 1986 Emphasizes the importance of creating and maintaining avenues of communication with a child from preschool to adulthood Presents typical questions that each age group asks about sex and supplies direct responses

Sex Talk L. P. Smith, 2014-09-10 Talking to Kids About Sex and Sexuality at a Glance It's best to start talking with children about sexuality in early childhood but it's never too late Talking with children about sex and sexuality may be uncomfortable at first but it gets easier with time and practice There are many different ways to start conversations about sex and sexuality Parents really make a difference when we talk with our kids In fact teens often name their parents as the biggest influence in their decisions about sex And teens who report having good conversations with their parents about sex are more likely to delay sexual activity have fewer partners and use condoms and other contraceptives when they do have sex

How to Talk to Your Kids About Sex How expert, 2020-01-26 If you want to know the appropriate way of discussing sex with your children then get *How to Talk to Your Kids about Sex* written by a real life parent who has great advice in sharing how to talk to your kids about sex Learn why you should talk about sex to your kids Know how to talk about it Be guided on when to start talking Know what to say and how to say it appropriate to your child's age Make your child aware of sex information to avoid danger of strangers Questions and appropriate answers provided And much more

HowExpert publishes quick how to guides on all topics from A to Z by everyday experts **Talking with Your Child about Sex** Mary Steichen Calderone, James W. Ramey, 1982 Written to help parents answer sexual questions that arise in each stage of a child's development
