By Blow and Kiss Boyd Cable,2018-09-21 Reproduction of the original By Blow and Kiss by Boyd Cable **The Girl on the Kerb** C. Litka,2023-03-30 The red 8 25 tram crossed Crane House Lane and disappeared behind Villiers House sealing my fate I d be late for work I slowed to a walk and took another bite of toast I found I didn t care It was that kind of day Henri Hardy The Girl on the Kerb It took several months for Henri Hardy to discover just what type of day it really was It was more than a day when his alarm clock failed to ring It was more than an unusually mild day in early spring It was a prelude to undreamed of changes in his life as an analytical engineer in the Ministry of Innovation It was a prelude to travel adventure danger and romance Fifteen hundred years before that day a devastating plague swept across the planets moons and space ships of Earth s solar system spanning civilization It ended space travel and forced the surviving population of the resource depleted Earth to live at a near 20th century level of technology while endlessly recycling the remains of their once highly advanced civilization To that end every aspect of their society is governed by an elaborate set of laws known as the Code But

not everyone is content to live at the reduced level of technology dictated by the Code There are those who dream of returning to space and the planets Once such person is the administrator of Europe s EuraEast region the Duchess of Fauconcourt She has made it clear that she intends to alter the Code one way or another much to the alarm of the neighboring regions administrators So when an illegal flying machine that crashes in EuraEast comes to the attention of the administrators of EuraCentre and EuraNorthwest they recruit two amateur agents One being Henri Hardy the other is Jeanne Murat an expert in EuraEast Together they set out as a team for EuraEast seeking the evidence needed to compel the World Government to preemptively act to foil the Duchess dangerous ambitions Murat and Hardy soon discover that not only had their governments selected them as a team fate had as well Nevertheless their mission to EuraEast goes south almost immediately propelling them into one perilous situation after another even as they seek to uncover the Duchess secret plans The Girl on the Kerb is a new full length novel from the pen of C Litka It blends a far future world with a nostalgic past in an espionage novel filled with intrigue adventure and romance told in his classic lighthearted style Like all his novels it features engaging characters witty dialog meticulous world building and mysteries to be solved in unexpected ways C Litka s novella Keiree is set on Mars after this same plague and in this same time period so that The Girl on the Kerb can be read not as a sequel but as a companion piece to that story answering the question of what happened on Earth And vice versa Field & Stream ,2004-07 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations
