was fashionable to find them in palaces and homes of wealthy citizens The newfound enthusiasm of erecting a presepi during Christmas may be contributed to Saint Gaetano who openly encouraged people to create the presepi as a sign of devotion It wasn't until the later part of the 19th century that these presepi became a part of family traditions in nearly every home in Italy This set is a beautiful piece of art and is a prized possession of the families that own them I know that Phyllis grandmother cherished her presepi until the day she died and the family still think fondly of their grandmother every time they see it at Christmas time
