An Apple a Day Emma Woolf,2013-05-14 A woman suffering from anorexia struggles to understand the cause of her eating disorder and more importantly becomes determined to stop starving and start living I haven t tasted chocolate for over ten years and now I m walking down the street unwrapping a Kit Kat Remember when Kate Moss said Nothing tastes as good as skinny feels She s wrong chocolate does At the age of thirty three after ten years of hiding from the truth Emma Woolf finally decided it was time to face the biggest challenge of her life

Addicted to hunger exercise and control she was juggling a full blown eating disorder with a successful career functioning on an apple a day Having met the man of her dreams and wanting a future and a baby together she decided it was time to stop starving and start living Honest hard hitting and spoken from the heart An Apple a Day is a manifesto for the modern generation to stop starving and start living Cadence of Truth Inka York,2024-02-29 A badly behaved plague The Serpent Girl The Bloodborn King As I wrangle my latest bequest into behaving itself and come to terms with Albert s fate Cascade finally comes knocking And after making an unfortunate first impression on my new boss I m forced into facing down my nightmares But as the archangel clans build so do Fane s forces fulfilling prophecies old and new and leading the way into a battle foretold long ago Because like Michael says the truth will come for you whether you believe it or not And sometimes it will fall into the palm of your hand Cadence of Truth features an abandoned prison in a cursed chair a nightmare in the London Underground some atrocious artwork and the wedding you ve been waiting for This is the final book of Not the Same River a series in the Cascade Apocrypha storyworld This series should be read in order **Drunken Space Pirates!** Phoenix Freebird A.,2009-06-30 Running from a mutinous crew sucked through a wormhole like in a bad sci fi movie and slowly running out of booze and that s just the beginning of this non traditional story that starts off as a simple captain s log book and evolves into something more like a really warped and twisted TV show in text Follow the Captain and crew on a series of seemingly random adventures where it s obvious it s not just the Captain who s been drinking At some point you may ask yourself is all this just coincidence or is there something dark and annoying on the horizon The Captain seems to have a drinking problem the problem being he never has enough to drink and people from his past keep showing up and ruining his buzz Akki a corrupted artificial intelligence who occasionally takes over the Captain s log has his own plans mostly self serving ones because he has nothing better to do The rest of the crew pirates hot chicks robots and a foul beaked little space penguin round out the Drunken Space Pirates and with all the wise cracks and shots aimed at everyone and everything its clear the alcohol flows rather freely within the D S P Many of the off the wall characters of the D S P are walking guilty pleasures who say what they feel do what they want and just generally give it to life pop culture and the universe in general with both barrels and occasionally fish **Fireworks** Alice Lin,2022-06-07 Fame and friendship can get complicated especially when there are more than platonic feelings at play in this rom com perfect for fans of Netflix s XO Kitty Seventeen year old Lulu Li has her last summer before college all planned out But her plans go awry when she learns that Kite Xu her old next door neighbor and childhood friend will be returning home from South Korea Lulu hasn t seen Kite since eighth grade after he left the country to pursue a career in K pop eventually debuting in the boy group Karnival When Karnival announces that Kite will be taking a break from K pop activities for mysterious reasons the opportunity to rekindle their friendship arises Star struck and nostalgic Lulu tries to reconnect with Kite As they continue to bond and reminisce over the past Kite s sister Connie warns Lulu not to get too close to her brother The harder Lulu tries to deny her feelings the
