Journey Into Chastity Book One The Journey Begins:

Journey Into Chastity, Book One Stanley Jeffries, 2011-03-02 John is a college student currently separated from his fiancée Laura while she begins a hot sexual affair with her roommate Christine. Though John is anxious to have Laura back with Christine now a permanent fixture in Laura's life, the terms of the relationship are about to radically change. Either John agrees to be submissive in a ménage à trois with two dominant females or he's out. Eager to stay in Laura's good graces, John agrees to anything including public humiliation, panty wearing, and Laura's unique punishment for unauthorized masturbation: a locking chastity device. She tricks him into putting it on, not telling him that Christine has the keys. Later, he learns from Christine that a key has been hidden in his weekend bag all along. But now the demanding Christine wants him to consciously choose to remain in chastity. John can't help wonder who's running the relationship: Laura or Christine. As the two femmes take charge, John is trained to serve their every whim, to call them mistress, and play their humiliating sexual games. When he fails to please this daunting duo, he suffers a variety of painful punishments: from bondage to whipping to being sodomized with a strap-on. Despite the rough demands of his new life, John finds his surrendering role strangely pleasing and highly erotic. All misgivings aside, he's still in love with Laura and willing to slavishly serve both women in order to have her. But how long can this strange ménage à trois survive? Will John ever have Laura to himself again? Is Christine really falling in love with him? Although John's journey into chastity has just begun, it's certain to take some curious twists as these two lovely in-charge females turn this wary college boy into their groveling slave.

A CHANGE OF HABIT Patty Ptak Kogut, 2011-12 A religious eddy hurled seventeen-year-old Patty into a convent in the 1960s to please her earthly father and say yes to her heavenly Father. Her time in the convent parallels changes wrought in religious life by Vatican II, including changes of names and attire. After leaving the convent following seven years of service, she assumes she can pick up her life and move on. She finally broke out of the debilitating patterns learned in the convent and now she shares the seven secrets to guilt-free living learned on her journey.

The fascinating narrative of the remarkable life of Junípero Serra, the intrepid priest who led Spain and the Catholic Church into California in the 1700s and became a key figure in the making of the American West. In the year 1749, at the age of thirty-six, Junípero Serra left his position as a highly regarded priest in Spain for the turbulent and dangerous New World, knowing he would never return. The Spanish Crown and the Catholic Church both sought expansion in Mexico: the former in search of gold, the latter seeking souls as well as entry into the mysterious land to the north called California. Serra's mission to spread Christianity in this unknown world by building churches wherever possible and by converting the native peoples to the Word of God. It was an undertaking that seemed impossible given the vast

distances the challenges of the unforgiving landscape and the danger posed by resistant native tribes Such a journey would require bottomless physical stamina indomitable psychic strength and above all the deepest faith Serra a diminutive man with a stout heart possessed all of these attributes as well as an innate humility that allowed him to see the humanity in native people whom the West viewed as savages By his death at age seventy one Serra had traveled more than 14 000 miles on land and sea through the New World much of that distance on a chronically infected and painful foot baptized and confirmed 6 000 Indians and founded nine of California s twenty one missions with his followers establishing the rest The names of these missions ring through the history of California San Diego San Jose San Juan Capistrano Santa Clara and San Francisco and served as the epicenters of the arrival of Western civilization where millions more would follow creating the California we know today An impoverished son an inspired priest and a potent political force Serra was a complex man who stood at the historic crossroads between Native Americans the often brutal Spanish soldiers and the dictates of the Catholic Church which still practiced punishment by flogging In this uncertain violent atmosphere Serra sought to protect the indigenous peoples from abuse and to bring them the rituals and spiritual comfort of the Church even as the microbes carried by Europeans threatened their existence Beginning with Serra s boyhood on the isolated island of Mallorca venturing into the final days of the Spanish Inquisition revealing the thriving grandeur of Mexico City and finally journeying up the untouched California coast Gregory Orfalea s magisterial biography is a rich epic that cuts new ground in our understanding of the origins of the United States Combining biography European history knowledge of Catholic doctrine and anthropology Journey to the Sun brings original research and perspective to America s creation story Orfalea s poetic and incisive recounting of Serra s life shows how one man changed the future of California and in so doing affected the future of our nation *Life of Johnson: Tour to the Hebrides (1773) and Journey into North Wales (1744)* James Boswell,1904
