## **Kar Orhan Pamuk:**

Snow Orhan Pamuk, 2011-10-18 From the Nobel Prize winner and the acclaimed author of *My Name is Red* comes a spellbinding story of a poet seeking his lost love in a remote Turkish town riven by religious conflict and cut off from the world by a blizzard. Returning to Turkey from exile in the West, Ka is driven by curiosity to investigate a surprising wave of suicides among religious girls forbidden to wear their head scarves in school. But the epicenter of the suicides, the eastern border city of Kars, is also home to the radiant and newly divorced Yekâ, a friend of Ka's youth whom he has never forgotten and whose spirited younger sister is a leader of the rebellious schoolgirls. As a fierce snowstorm descends on Kars, violence between the military and local Islamic radicals begins to explode, and Ka finds his sympathies drawn in unexpected and dramatic directions.

Snow Orhan Pamuk, 2011-03-01 The Nobel Prize winner's second novel to appear in an Everyman edition is a spellbinding story of a poet seeking his lost love in a remote Turkish town riven by religious conflict and cut off from the world by a blizzard. Returning to Turkey from exile in the West, Ka is driven by curiosity to investigate a surprising wave of suicides among religious girls forbidden to wear their head scarves in school. But the epicenter of the suicides, the eastern border city of Kars, is also home to the radiant and newly divorced Yekâ, a friend of Ka's youth whom he has never forgotten and whose spirited younger sister is a leader of the rebellious schoolgirls. As a fierce snowstorm descends on Kars, violence between the military and local Islamic radicals begins to explode, and Ka finds his sympathies drawn in unexpected and dramatic directions.

Orhan Pamuk Taner Can, Berkan Ulu, Koray Melikoglu, 2017-07-25 This collection of essays brings together scholarly examinations of a writer who, despite the prestige that the Nobel Prize has earned him, remains controversial with respect to his place in the literary tradition of his home country. This is in part because the positioning of Turkey itself in relation to the cultural divide between East and West has been the subject of a debate going back to the beginnings of the modern Turkish state and earlier. The present essays, written mostly by literary scholars, range widely across Pamuk's novelistic oeuvre, dealing with how the writer often adds an allegorical level to the personages depicted in his experimental narratives, portraying tensions such as those between Western secularism and traditional Islam and different conceptions of national identity.

Approaches to Teaching the Works of Orhan Pamuk Sevinç Türkkan, David Damrosch, 2017-10-01 Winner of the Nobel Prize in Literature in 2006, Orhan Pamuk is Turkey's preeminent novelist and an internationally recognized figure of letters. Influenced by both Turkish and European literature, his works interrogate problems of modernity and of East and West in the Turkish context and incorporate the Ottoman legacy linguistically and thematically. The stylistic and thematic aspects of his novels, his intriguing use of intertextual elements, and his characters' metatextual commentaries make his work rewarding in courses on world literature and on the postmodern novel. Pamuk's nonfiction writings extend his themes of memory, loss, personal and political histories, and the craft of the novel. Part 1: Materials provides biographical background and introduces instructors to translations and critical scholarship that will

elucidate Pamuk's works In part 2 Approaches essays cover topics that support teachers in a range of classrooms including Pamuk's use of the Turkish language the political background to Pamuk's novels the politics of translation and aesthetics and Pamuk's works as world literature *The Idea of a Text and the Nature of Textual Meaning* Anders Pettersson,2017-04-15

In his account of text and textual meaning Pettersson demonstrates that a text as commonly conceived is not only a verbal structure but also a physical entity two kinds of phenomena which do not in fact add up to a unitary object He describes this current notion of text as convenient enough for many practical purposes but inadequate in discussions of a theoretically more demanding nature Having clearly demonstrated its intellectual drawbacks he develops an alternative boldly revisionary way of thinking about text and textual meaning His careful argument is in challenging dialogue with assumptions about language in use to be found in a wide range of present day literary theory linguistics philosophical aesthetics and philosophy of language

**Pamuk's Istanbul** Pallavi Narayan,2022-04-28 This book reconstructs Istanbul through the prism of Orhan Pamuk's fiction It navigates the multiple selves and layers of Istanbul to present how the city has shaped the writings of Pamuk and has in turn been shaped by it Through everyday objects and architecture it shows how Pamuk transforms the city into a living museum where different objects converse along with characters to present a rich tapestry across space and time Further the monograph explores the formation of communal and literary identity within and around nation building narratives informed by capitalism and modernization The book also examines how Pamuk uses the postmodern city to move beyond its postmodern confines and utilizes the theories and universes of Bakhtin Benjamin and Foucault to open up his fiction and radically challenge the idea of the novel The volume will be of great interest to scholars and researchers of literature literary theory museum studies architecture and cultural studies and especially appeal to readers of Orhan Pamuk

*Orhan Pamuk, Secularism and Blasphemy* Erdag Göknar,2013-02-15 Orhan Pamuk *Secularism and Blasphemy* is the first critical study of all of Pamuk's novels including the early untranslated work In 2005 Orhan Pamuk was charged with insulting Turkishness under Article 301 of the Turkish penal code Eighteen months later he was awarded the Nobel Prize After decades of criticism for wielding a depoliticized pen Pamuk was cast as a dissident through his trial an event that underscored his transformation from national literateur to global author By contextualizing Pamuk's fiction into the Turkish tradition and by defining the literary and political intersections of his work Orhan Pamuk *Secularism and Blasphemy* rereads Pamuk's dissidence as a factor of the form of his novels This is not a traditional study of literature but a book that turns to literature to ask larger questions about recent transformations in Turkish history identity modernity and collective memory As a corrective to common misreadings of Pamuk's work in its international reception Orhan Pamuk *Secularism and Blasphemy* applies various analytical lenses to the politics of the Turkish novel including gender studies cultural translation historiography and Islam The book argues that modern literature that confronts representations of the nation state or devlet with those of Ottoman Islamic and Sufi contexts or din constitute secular blasphemies that redefine the politics of the Turkish

novel Concluding with a meditation on conditions of untranslatability in Turkish literature this study provides a comprehensive and critical analysis of Pamuk's novels to date

Findley,2010-09-21 Book Description Publication Date August 30 2011 Turkey Islam Nationalism and Modernity reveals the historical dynamics propelling two centuries of Ottoman and Turkish history As mounting threats to imperial survival necessitated dynamic responses ethnolinguistic and religious identities inspired alternative strategies for

engaging with modernity A radical secularizing current of change competed with a conservative Islamically committed current Crises sharpened the differentiation of the two streams forcing choices between them The radical current began with the formation of reformist governmental elites and expanded with the advent of print capitalism symbolized by the privately owned Ottoman language newspapers The radicals engineered the 1908 Young Turk revolution ruled empire and republic until 1950 made secularism a lasting belief system and still retain powerful positions The conservative current gained impetus from three history making Islamic renewal movements those of Mevlana Halid Said Nursi and Fethullah Gulen Powerful under the empire Islamic conservatives did not regain control of government until the 1980s By then they too had their own influential media Findley s reassessment of political economic social and cultural history reveals the dialectical interaction between radical and conservative currents of change which alternately clashed and converged to shape late Ottoman and republican Turkish history      **The Routledge Dictionary of Turkish Cinema** Gönül
