Katherine Mansfield And The Art Of The Short Story:

Katherine Mansfield and the Art of the Short Story Gerri Kimber, 2014-12-22 This volume offers an introductory overview to the short stories of Katherine Mansfield discussing a wide range of her most famous stories from different viewpoints The book elaborates on Mansfield's themes and techniques thereby guiding the reader via close textual analysis to an understanding of the author's modernist techniques

A Literary Modernist Gerri Kimber, 2008 Discussion of Mansfield's writing technique in the early years after her death was initially subordinate to the overwhelming interest in her personality with the hagiography of her life and praise for her personal writing particularly in France for many years taking precedence over any consideration of her fiction However with the passage of time there has emerged a more balanced and critical viewpoint with an attempt to remove the saint-like ethereal wholly false mask of the author so revered by the French The aim of this discussion is to illustrate how radical and innovative Mansfield's narrative writing would become during her lifetime ultimately placing her at the forefront of Modernist short story writers Yet even today there are a few critics who tend to concentrate on the facets of Mansfield's personality or her art which tally with their particular literary hypothesis ignoring what does not in order to create their particular version of Mansfield the writer It is not often that one is able to view all the facets which go to make up Mansfield's complex body of work Mansfield was that rare thing a writer exclusively associated with the short story The notional superficiality of her stories together with the premise that the short story is perceived to be a lesser form has meant that many critics have viewed Mansfield as a minor writer It is not known what she might have accomplished had her life not been cut short or whether her narrative art might have gone in a different direction Her legacy comprises roughly ninety stories some incomplete totalling about 300 000 words This study offers a detailed consideration of Mansfield's short stories and her work in the context of a literary Modernist Subjects covered include Mansfield's Narrative Technique Use of Literary Impressionism The Incorporation of Symbolism Sexuality as a Theme Portrayal of Children Use of Humour War and Death

Re-forming World Literature Gerri Kimber, Janet Wilson, 2017-09 The ground breaking essays gathered in this volume argue that global paradigms of world literature often referencing the major metropolitan centres of cultural and literary production do not always accommodate voices from the margins and writing within minority genres such as the short story Katherine Mansfield is a supreme example of a writer who is positioned between a number of different borders and boundaries between modernism and postcolonialism between the short story and other genres between Europe and New

Zealand In pointing to the global production and dissemination of short stories and in particular the growing reception of Mansfield's work worldwide since her death in 1923 the volume shows how literary modernism can be read in a myriad of ways in terms of the contemporary category of new world literature

The Bloomsbury Handbook to Katherine Mansfield Todd Martin, 2020-12-10 Through her formally innovative and psychologically insightful short stories Katherine Mansfield is increasingly recognised as one of the central figures in early 20th century modernism Bringing together leading and emerging scholars and covering her complete body of work this is the most comprehensive volume to Mansfield scholarship available today The Bloomsbury Handbook to Katherine Mansfield covers the full range of contemporary scholarly themes and approaches to the author's work including New biographical insights including into the early New Zealand years Responses to the historical crises the Great War empire and orientalism Mansfield's fiction poetry criticism and private writing Mansfield and modernist culture from Bloomsbury to the little magazines Mansfield and her contemporaries Woolf Lawrence and von Arnim Mansfield and the arts visual culture cinema and music The book also includes a substantial annotated bibliography of key works of Mansfield scholarship from the last 30 years

Aestheticism & Modernism Richard Danson Brown, Suman Gupta, 2005 Textbook introduction to key debates from the early twentieth century to modernisms emerging between First and Second World Wars Examines in detail texts by Chekhov Mansfield Gibbon Eliot Woolf Brecht and Okigbo

The Collected Fiction of Katherine Mansfield, 1916-1922 Katherine Mansfield, 2012 The resurgence of interest in Katherine Mansfield 1888 1923 in recent years has grown to the extent that she is now perceived as the most emblematic woman writer of her time The Edinburgh edition of her stories is a truly complete collection of the author's fiction writing

Cinema and the Imagination in Katherine Mansfield's Writing M. Ascari, 2014-01-10 Using silent cinema as a critical lens enables us to reassess Katherine Mansfield's entire literary career Starting from the awareness that innovation in literature is often the outcome of hybridisation this book discusses not only a single case study but also the intermedia exchanges in which literary modernism at large is rooted

Intersections of Gender, Class, and Race in the Long Nineteenth Century and Beyond Barbara Leonardi, 2018-12-29 This book explores the intersections of gender with class and race in the construction of national and imperial ideologies and their fluid transformation from the Romantic to the Victorian period and beyond exposing how these cultural constructions are deeply entangled with the family metaphor For example by examining the re-signification of the angel in the house and the deviant woman in the context of unstable or contingent masculinities and across discourses of class and nation the volume contributes to a more nuanced understanding of British cultural constructions in the long nineteenth century The central idea is to unearth the historical roots of the family metaphor in the construction of national and imperial ideologies and to uncover the interests served by its specific discursive formation The book explores both male and female stereotypes enabling a more perceptive comparison enriched with a nuanced reflection on the construction and social function of class

Katherine Mansfield Saralyn R. Daly, 1965 Studies the development of Katherine Mansfield's highly individualized style and subtle display of meaning in the art of the short story

Women's Colonial Gothic Writing, 1850-1930 Melissa Edmundson, 2018-05-19 This book explores women writers' involvement with the Gothic. The author sheds new light on women's experience a viewpoint that remains largely absent from male authored Colonial Gothic works. The book investigates how women writers appropriated the Gothic genre and its emphasis on fear, isolation, troubled identity, racial otherness and sexual deviancy in order to take these anxieties into the farthest realms of the British Empire. The chapters show how Gothic themes told from a woman's perspective emerge in unique ways when set in the different colonial regions that comprise the scope of this book: Canada, the Caribbean, Africa, India, Australia and New Zealand. Edmundson argues that women's Colonial Gothic writing tends to be more critical of imperialism and thereby more subversive than that of their male counterparts. This book will be of interest to students and academics interested in women's writing, the Gothic and colonial studies. **All**

Sorts of Lives Claire Harman, 2023-01-05 The Sunday Times Best Literary Book of 2023 A Waterstones Best Book of 2023 All Sorts of Lives is a beautiful, fastidiously researched and fascinating exploration of Mansfield's life and work. A. L. Kennedy: Restless outsider, masher up of form and convention. Katherine Mansfield's career was short but dazzling. She was the only writer Virginia Woolf admitted being jealous of. Yet by the 1950s she was so undervalued that Elizabeth Bowen was moved to ask: Where is she, our missing contemporary? In this inventive and intimate study, Claire Harman takes a fresh look at Mansfield's life and achievements through the form she did so much to revolutionise: the short story. Exploring ten pivotal works, we watch how Mansfield's desire to grow as a writer pushed her art into unknown territory and how illness sharpened her extraordinary vitality. Would you not like to try all sorts of lives, one is so very small? What a gift to the biographer: this life of adventure and sickness and sex and celebrity. Brilliant. Sunday Times. A searching, incisive and compulsive book. A lesson in how to read and connect and understand. Sunjeev Sahota

Selected Stories of Katherine Mansfield Katherine Mansfield, 2023-06-15 Katherine Mansfield 1888-1923 was one of the leading figures in the development of the modernist short story and her writings were a profound influence on writers such as Virginia Woolf and D. H. Lawrence. Presenting for the first time draft manuscripts of some of her most important stories, this book gives scholars and students alike vivid new insight into Mansfield's creative process. With manuscripts for each text presented in facsimile and transcript, detailed notes throughout compare early drafts with later revisions and the final published work. In the final section of the book, leading scholars offer vivid new critical readings exploring the manuscript history of these stories. The stories included are: Je ne parle pas français, Sun and Moon, Revelations, The Stranger, The Daughters of the Late Colonel, Mr and Mrs Dove, Marriage à la Mode, The Voyage, Six Years After, The Fly. *Katherine Mansfield and Her Art* Grace Headley Kehr, 1935

Laughter, Literature, Violence, 1840-1930 Jonathan Taylor, 2019-02-04 Laughter, Literature, Violence 1840-1930 investigates the strange, complex, even paradoxical relationship between laughter on the one hand and violence, war, horror, death on the other.

It does so in relation to philosophy politics and key nineteenth and twentieth century literary texts by Edgar Allan Poe Edmund Gosse Wyndham Lewis and Katherine Mansfield texts which explore the far reaches of Schadenfreude and so called superiority theories of laughter pushing these theories to breaking point In these literary texts the violent superiority often ascribed to laughter is seen as radically unstable co existing with its opposite an anarchic sense of equality Laughter humour and comedy are slippery duplicitous ambivalent self contradictory hybrids fusing apparently discordant elements Now and then though literary and philosophical texts also dream of a different kind of laughter one which reaches beyond its alloys a transcendent perfect laughter which exists only in and for itself Journal of Katherine Mansfield Katherine Mansfield,1927
