Sex, Shame, and Violence Kathleen Cash, 2016-07-19 For more than three decades Kathleen Cash has lived and worked with impoverished people learning about their lives Listening to them talk about their feelings of shame Cash heard how people suffered from being unable to change what was happening to them HIV infection sexual and domestic violence violence toward children and environmental degradation She saw that many interventions lacked emotional and cultural integrity and thus did little to alleviate these hardships So Cash went outside the conventional approaches to health promotion and social justice and devised a community narrative practice a strategy for engaging people through storytelling From numerous ethnographic interviews she pieced together cultural stories in a way that resonated with community people and revealed the paradoxes in their suffering Cash recruited local artists to illustrate the stories in a form resembling a graphic novel and distributed these booklets for community discussion This book includes excerpts from these illustrated stories In Thailand Bangladesh Haiti Uganda and the United States people learned to talk about forbidden subjects and say what they could never say before They stood up to each other reconciled and made health seeking decisions By helping others they repaired themselves In cathartic conversations they acknowledged shame which led to acts of courage and generosity

Ancestral Voices John Mears, 2010-08-31 *Ancestral Voices* is multi generational epic that traces the histories of several families from the earliest settlement of America to contemporary times The main conflict of the story develops from a dispute between two brothers in the wake of the War of Independence that has disastrous as well as joyous consequences almost two centuries later for some of their descendants when the family is reconnected The novel begins in 1969 the height of the Vietnam War The central character Katharine Carter Harrison about to enter Yale s first coed class struggles with her identity which is an amalgam of her Connecticut father and her Virginia mother and with the fate of her beloved brother who enlists to fight in Vietnam When a distant cousin Aaron Keeler unexpectedly enters the lives of Katharine and her brother it seems that some perverse hand of destiny is at work as well as a curse that has run through the family for centuries *Ancestral Voices* is a compelling love story a tale of generational revenge and a saga where the main characters suffer from obsessions with their ancestral past and a terrifying nexus between fiction and reality
