Life After Divorce Sharon Wegscheider-Cruse, 2012-12-11 The role divorce plays on emotional stability can be devastating for many men and women anger resentment and a sense of loss often linger well beyond the life and death of the marriage Since much of the stigma of the past has been lifted many are discovering that it is easier to work through these negative emotions turning this life altering event into a positive one by creating a better more fulfilling life after divorce Whether a marriage was short term or long term the pain felt by the individuals involved in either type is often quite similar after it dissolves There are also key behaviors and emotions unique to both the individual leaving the relationship as well as the one being left What both partners have in common however is a deep sense of loss *Life After Divorce Revised Updated* guides readers through this confusion offering tips on how to heal secrets to dealing with both new and old relationships outside the marriage how to communicate with children caught in the crossfire and how to deal with the effects of financial instability in the home In this updated and revised edition of the classic book *Life After Divorce* bestselling author and therapist Sharon Wegscheider Cruse outlines the most common issues associated with the dissolution of marriages abuse addiction lack of communication money career goals social interests and cheating are just a few Readers learn how to navigate the divorce process without the added cost of unwanted attorney fees the difference between a collaborative and mediation divorce and how to choose which path is right for them Also provided are two new chapters one focusing on adult children whose parents have chosen to divorce later in life and how they can effectively deal with the guilt associated with feeling the pressure to take sides and the other explains how technology plays a role in the dissolution of marriages Wegscheider Cruse believes that each and every person has the ability to grow from the trauma of divorce coming out a better well rounded individual Peace fulfillment and greater self esteem are possible after divorce as is achieving a loving and lasting relationship with a new partner

Learning to Love Yourself Sharon Wegscheider-Cruse, 2012-05-01 We all come into this world full of promise and possibility For some when born into a healthy and highly functional family the journey is quite easy with guideposts and directions given freely However that is a very small population of people Most of us were born into families that were in their own way struggling for independence accomplishment safety or security For the millions of people who grew up in painful families whether by absent parents abusive parents or those who were ill equipped noted therapist Sharon Wegscheider Cruse shows that they do not have to follow a family tradition of compulsion or addiction In the revised edition of the classic *Learning to Love Yourself* Wegscheider Cruse explains that it is possible to create our own self worth at any time in our lives even as adults She guides readers on a journey to greater self worth explaining how to eliminate toxic self defeating messages how to choose healthier new perspectives and how to reinvent yourself each day open to a world of possibilities

Generation Me - Revised and Updated Jean M. Twenge, 2006-04-11 The Associated Press calls them The Entitlement Generation and they are storming into schools colleges and businesses all over

the country They are today s young people a new generation with sky high expectations and a need for constant praise and fulfillment In this provocative new book headline making psychologist and social commentator Dr Jean Twenge documents the self focus of what she calls Generation Me people born in the 1970s 1980s and 1990s Herself a member of Generation Me Dr Twenge explores why her generation is tolerant confident open minded and ambitious but also cynical depressed lonely and anxious Using findings from the largest intergenerational study ever conducted with data from 1 3 million respondents spanning six decades Dr Twenge reveals how profoundly different today s young adults are and makes controversial predictions about what the future holds for them and society as a whole But Dr Twenge doesn t just talk statistics she highlights real life people and stories and vividly brings to life the hopes and dreams disappointments and challenges of Generation Me With a good deal of irony humor and sympathy she demonstrates that today s young people have been raised to aim for the stars at a time when it is more difficult than ever to get into college find a good job and afford a house even with two incomes GenMe s expectations have been raised just as the world is becoming more competitive creating an enormous clash between expectations and reality Dr Twenge also presents the often shocking truths about her generation s dramatically different sexual behavior and mores GenMe has created a profound shift in the American character changing what it means to be an individual in today s society Engaging controversial prescriptive and often funny Generation Me will give Boomers new insight into their offspring and help GenMe ers in their teens 20s and 30s finally make sense of themselves and their goals and find their road to happiness
