Orality and Narration. Performance and Mythic-Ritual Poetics in the Ancient World , 2025-08-21 Myths can be defined as traditional stories that societies pass on from generation to generation constantly reinventing and reshaping them through oral written or visual representations Rituals and cults on the other hand are the festive celebrations that punctuate social life providing the occasion for the community to perform and reflect on mythic stories or mimetic plays about or by gods and heroes How do then the recent advances in narratology sociolinguistics and anthropology lead us to reconsider the complex relationships between myth and ritual in ancient traditional societies both literate and non literate The papers in this groundbreaking volume explore and compare these dynamic interactions across diverse cultures including archaic and classical Greece the ancient Near East and imperial Rome [Le vêtement dans les contes de Perrault](#) Shoshana-Rose Marzel, 2024-04-30 Si les contes de Perrault suscitent un nombre incalculable d analyses et de commentaires depuis leur parution le v tement y re oit relativement peu d attention Or des robes de Peau d ne utilis es pour exercer une pression incestueuse aux t tes couronn es puis d capit es des petites ogresses dans Le Petit Poucet r v lant une critique politique

acerbe le thème vestimentaire est loin d'être anodin Sans être le dernier travail littéraire de Perrault le recueil de contes constitue cependant son ouvrage testament dans lequel l'auteur livre ses messages les plus subversifs et ses constats les plus amers sur les maux de son temps travers le vêtement l'académicien dénonce l'immoralité des possesseurs de pouvoir le sadisme masculin les impostures bourgeoises la cupidité des lites et jusqu'au système politique de son temps While Perrault's tales have sparked countless analyses and commentaries since their publication clothing has received relatively little attention therein Yet from the dresses of Donkeyskin used to exert incestuous pressure to the crowned and decapitated heads of the little ogres in Hop o My Thumb revealing a sharp political critique the theme of clothing is far from inconsequential While not Perrault's final literary work the collection of tales nevertheless serves as his magnum opus in which the author delivers his most subversive messages and bitter observations about the ills of his time Through clothing the academicien denounces the immorality of those in power male sadism bourgeois deceptions the greed of the elite and even the political system of his era
