Department of the Air Force, *A Boy's Guide to Firearms* John Rao,Heidi Rao,2018-11-27 Our founding fathers lived in a time of tyranny and oppression The idea of human rights personal property and freedom of expression were at the whims of the ruling class It was commonplace for people of the world to be told what religion they could belong to and how to worship and what they could say and not say about the leaders of their society to be forced to live in a caste system that did not allow for bettering one's life to be told what possessions they could own or to even be forced into slavery Violating the societal rules established by kings queens czars or other ruling classes would lead to severe penalties such as imprisonment torture loss of extremities such as fingers hands arms loss of the senses and organs such as eyes ears noses or tongue or the common practice of death by execution

Survival Guns: A Beginner's Guide Steve Markwith,2014-08-18 *Survival Guns A Beginner's Guide* is the first firearms book in the *Survival Guns* series that covers building a basic firearm battery Steve Markwith will take the reader through the process of selecting and buying firearms and accessories via a planned process that meets your needs and budget Steve outlines some underlying principles to work toward the goal of building a coordinated battery beginning with just a short list of essential systems that constitute a baseline inventory The book's premise is built on starting with a clean slate While some readers may already own guns and pursue the tendency to weave what they already own into the mix those end results may be less than ideal Steve takes the reader through a logical approach to building a planned but practical collection that will suit a variety of needs While this book and Steve's similar manuals is written for beginning to intermediate users those

familiar with firearms will also find the content of value The information contained within is detailed covering far more than just a firearm itself leaving the reader confident in his her plan to acquire guns and accessories in a reasoned logical way
