Worlding Postcolonial Sexualities Kanika Batra, 2021-08-01 *Worlding Postcolonial Sexualities* demonstrates how late twentieth century postcolonial print cultures initiated a public discourse on sexual activism and contends that postcolonial feminist and queer archives offer alternative histories of sexual precarity vulnerability and resistance The book's comparative focus on India Jamaica and South Africa extends the valences of postcolonial feminist and queer studies towards a historical examination of South South interactions in the theory and praxis of sexual rights Analyzing the circumstances of production and the contents of English language and intermittently bilingual magazines and newsletters published between the late 1970s and the late 1990s these sources offer a way to examine the convergences and divergences between postcolonial feminist gay and lesbian activism It charts a set of concerns common to feminist gay and lesbian activist literature retrogressive colonial era legislation impacting the status of women and sexual minorities a marked increase in sexual violence piecemeal reproductive freedoms and sexual choice under neoliberalism the emergence and management of the HIV AIDS crisis precariousness of lesbian and transgender concerns within feminist and LGBTQ movements and Non Governmental Organizations as major actors articulating sexual rights as human rights This methodologically innovative work is based on archival historical research analyses of national and international policy documents close readings of activist publications and conversations with activists and founding editors This is an important intervention in the field of gender and sexuality studies and is the winner of the 2020 Feminist Futures Subversive Histories prize in partnership with the NWSA The book is key reading for scholars and students in gender sexuality comparative literature and postcolonial studies Chapter 3 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license **The Cherished Five in Sikh History** Louis E. Fenech, 2021 Despite the centrality of this group to modern Sikhism scholarship on the Panj Piare has remained sparse Louis Fenech's new book examines the Khalsa and the role that the Panj Piare have had in the development of the Sikh faith over the past three centuries *The Mughals of India* Harbans Mukhia, 2008-04-15 This innovative book explores of the grandest and longest lasting empire in Indian history Examines the history of the Mughal presence in India from 1526 to the mid eighteenth century Creates a new framework for understanding the Mughal empire by addressing themes that have not been explored before Subtly traces the legacy of the Mughals world into today's India **PARTITION: HISTORY AND FICTIONAL INGENUITY** Dr. RAJU J PATOLE, 2017-01-12 The Partition of India 1947 is undoubtedly the most cataclysmic event in India's contemporary history India's freedom was accompanied by a holocaust of unconscionable horror that bit deeply into the memories of its inhabitants¹ In terms of its scale and its wide ranging impact Partition remains the singularly most important event and turning point Ten to twelve millions people moved within few months between India and Pakistan *The Chaos of Empire* Jon Wilson, 2016-10-25 The popular image of the British Raj an era of efficient but officious

governors sycophantic local functionaries doting amahs blisteringly hot days and torrid nights chronicled by Forster and Kipling is a glamorous nostalgic but entirely fictitious In this dramatic revisionist history Jon Wilson upends the carefully sanitized image of unity order and success to reveal an empire rooted far more in violence than in virtue far more in chaos than in control Through the lives of administrators soldiers and subjects both British and Indian *The Chaos of Empire* traces Britain's imperial rule from the East India Company's first transactions in the 1600s to Indian Independence in 1947 The Raj was the most public demonstration of a state's ability to project power far from home and its perceived success was used to justify interventions around the world in the years that followed But the Raj's institutions from law courts to railway lines were designed to protect British power without benefiting the people they ruled This self-serving and careless governance resulted in an impoverished people and a stifled society not a glorious Indian empire Jon Wilson's new portrait of a much mythologized era finally and convincingly proves that the story of benign British triumph was a carefully concocted fiction here thoroughly and totally debunked

Europe and Asia beyond East and West Gerard Delanty, 2006-10-03 This major new book tackles key questions on Europe in the context of shifting parameters of East and West The contributors sociologists anthropologists philosophers and historians show from a variety of different perspectives that the conventional equation of Europe with the West must be questioned Featuring four thematically organized chapters the book looks at a post-Western world Asia in Europe encounters in history between Europe and Asia otherness in Europe and Asia Exploring new expressions of European self-understanding in a way that challenges recent ideological notions of the clash of civilizations this outstanding work draws on recent scholarship that shows how Europe and Asia were mutually linked in history and in contemporary perspective It argues that as a result of current developments and the changing geopolitical context both Europe and Asia have much in common and that it is possible to speak of cosmopolitan links rather than clashes This book will be of great value to students and researchers in the fields of sociology European politics and history and cultural theory

Translating Museums Shaila Bhatti, 2016-06-16 Shaila Bhatti's immersive study of the Lahore Museum in Pakistan is one of the first books to offer an in-depth historical and ethnographic analysis of a South Asian museum Bhatti thus presents an alternative example of visitor experience and museum practice to that of the West which has been the dominant museological model to date This examination of the Lahore Museum's objects staff and visitors past and present provides an informative case study that reveals local perceptions and uses of museums in non-Western societies to be fraught with social political and cultural implications and appropriations Through Lahore Bhatti examines the history of exchange between Britain and South Asia and advances our current understanding of what constitutes postcolonial museum interpretation and its public

Mythologizing in South Asian Traditions Diana Dimitrova, 2025-04-11 This book deals with the issue of mythologizing in South Asian traditions It brings together a number of essays dealing with the interface between mythology gender politics and nationalism The common thread that links the chapters is the appropriation and

reinterpretation of myth and its weaponizing for the purpose of power or political gain All chapters explore the various aspects of the ongoing process of re mythologizing of the present as revealed in South Asian traditions The essays in this collection respond to the same question how to interpret the present What is the meaning of ancient and venerated myths today What are the ideological implications of the interpretation of myths and how do they reflect and influence the power structures of contemporary societies in South Asia

The Book Review ,2002 **Marginalization in Globalizing Delhi: Issues of Land, Livelihoods and Health** Sanghmitra S. Acharya,Sucharita Sen,Milap Punia,Sunita Reddy,2016-10-21 This book analyses how developmental projects in a globalizing Delhi have brought about neglect exclusion and alienation of certain sections of population while benefiting others It discusses the physical economic and social displacement of people in the city in recent times which has deprived them of their lands livelihoods and access to health care In Delhi and the National Capital Region beyond the obvious and apparent image of wide roads flyovers the metro rail network high rises and glittering malls globalization has brought about skewed and uneven development A growing middle class and a significant group of an extremely rich section of population steer the ways in which development strategies are planned and implemented Furthermore with government control reducing as is inevitable and consistent with a neoliberal policy framework private players have entered not only the consumer goods sector but also basic goods and services such as agriculture health and education This book explores the effects of such processes with a specific focus on equity on the marginalized sections of population in a globalizing megacity It addresses the themes of land livelihoods and health as overarching drawing upon their interlinkages It traces the changes in the growth of the city in context of these themes and draws inferences from their interconnectedness to examine the current situation of development in Delhi
