ROOT WORDS ACTIVITY

Background/Notes:

TEACHING: Students will research root words, prefixes, and suffixes associated with the topic. The research can be categorized online, as individual or group work as well as an extension activity for more advanced students. It will work as well with distance learning as it does in person. Different versions of this template are included in the packet along with activity ideas.

STUDENTS: Your teacher will have more specific instructions for completing this activity. The back worksheets are to record the meaning of the prefixes, suffixes, and roots of the topic, and give examples of each being used in a word (preferably associated with the topic). One different example being such as "root word meaning").
