Mid Life Love:

Sexuality in Mid-Life Stephen B. Levine, 1998-02-28 I wrote *Sexuality in Mid Life* to assist clinicians in considering love sex intimacy and dysfunction as they occur in this epoch of the life cycle The chapters reflect my belief that understanding the processes of living is vital for both the therapist and the patient Despite my preoccupation with creating a cohesive book I often thought of these 11 chapters as essays because in this prose form it is traditional for the author to be palpably present in the text I tried not to hide behind the passive constructions of typical psychiatric books I wanted to create a book that did not restrict itself to scientific findings clinical experiences or ideological traditions I wanted to discuss relevant issues that were generally avoided by professionals In approaching the topics of love extramarital affairs and menopause for instance I hoped to emphasize the developmental potentials inherent in both mid life's smooth sailing and its underappreciated adversities *Sexuality in Mid Life* is my third solo authored book During the writing of the first two I thought I was painting a picture of the life cycle of sexuality When a young woman said something complimentary to me about *Sex Is Not Simple* and quickly added that I had left out any consideration of the sexuality of pregnancy I was stunned by my oversight **Booming Into Mid-life** Myna German-Schleifer, 1998 One moment your school age son is engaged in a house sale and everything is serene on a Sunday afternoon in the suburbs The next morning you awaken to a 6am phone call from a policeman who tells you that a childless great uncle has jumped from the roof leaving your phone number for notification purposes Shortly after that you learn that your best friends are getting a divorce and you don't know what to tell your children Midlife brings chaos laughter and tears You find women in their 40s having last chance babies and many people changing careers while they still can Couples meanwhile are fighting about whether to stay together and many women who have been home are trying to jump start their careers Boyfriends girlfriends and last chance affairs complicate matters even more The author takes you with her on a search for order trying to find patterns in the chaos travelling the routes of the past examining the lives of baby boomer friends while renewing an earlier commitment to journalism which had lapsed during a ten year stint in the business world *Secret Paths: Women in the New Midlife* Terri Apter, 1997-01-17 The author of *Altered Loves* now turns her analytical eye toward middle aged women The result is both lively and revealing New York Times Book Review In this groundbreaking and insightful study Terri Apter traces women's midlife course drawing on detailed interviews with women in their forties and fifties Apter finds that women experience a renewed sense of themselves and see the second half of life as an opportunity for psychological growth and fulfillment instead of a time of despair over lost youth and beauty She divides midlife women into four categories traditional innovative expansive protesting and shows the cause for the midlife crisis and the path toward resolution for each type **Magical Midlife Love** K. F. Breene, 2023-04-12 The Ivy House team is shaping up but there are still holes to be filled and a magical summons outstanding Jessie needs a teacher Someone who can fit in with the whacky Ivy House crew And that was going just fine until she gets a request to host a powerful neighboring mage A

teacher isn't going to be enough She needs more power in her crew She needs some might This time Austin Steele might not be able to dominate what she calls in creatures no shifter has ever dominated before But that isn't all Austin has to worry about After a skirmish in the bar suddenly his whole world is turned upside down He can no longer ignore the feelings that have been growing for Jess He also can't ignore the town's complete lack of readiness for the neighboring mage's visit He must call in his brother to help lock down the town And when his brother arrives he must finally hash out the past that has split them apart so that he can claim his future

The Contemporary Woman's Guide to Midlife Carla Herrera, 2005-03 The Contemporary Woman's Guide to Midlife is an autobiographical tour through midlife The author takes the reader through her transformation in early midlife and allows a brief but intimate glimpse of one woman's perspective on the process Essay topics include the empty nest menopause values and relationships A must read for anyone approaching or knowing someone who is approaching midlife or major life transitions

Midlife Harry Pants, Ready for a rich ribald farce that'll make you laugh till something explodes With chapter names like Don't Talk to the Underpants Well it Felt Like a Tail Would You Like Your Hedge Trimmed and Purple Headed Junket Pumper you know you're in good hands Well bits of you anyway So join Wally and Masey Head Bruce the Crumpet Crazy Gardener the Lovely Tess the Tiny Police Force and the Beautiful Fat Twins for a rollicking risqué romp with rope and romance So Much More Than a Crazy Stupid Love Story Australian author Alarna Rose Gray LOL funny in an Aussie oh so wrong politically incorrect way If you can ahem swallow that then beneath all the sex humour and bravado you will find a vulnerable honest touching tale of what it means to be human Approach it with an open mind and what you get is a story about change that will in fact change you Three words Irreverent Uplifting Life changing

Astrology of Midlife and Aging Erin Sullivan, 2005-05-19 The first in-depth analysis of how an individual's natal horoscope reveals the unique challenges and opportunities of midlife Between the ages of thirty-seven and forty-one something mysterious takes place within the psyche Jung called this phase our un-lived life assuming rightly that midlife did not inaugurate a time of rapid decay loss of libido and inevitable death but rather

ushered in a period in which one might review one's life and build upon a strong foundation toward the next phase of adulthood. Acclaimed astrologer Erin Sullivan takes us through the vast changes that astrology reveals as we reach middle age. It is a moment in life that is characterized by the planet Uranus, one filled with opportunities to both rethink the past and move forward toward the future, witnessing our lives in the way Uranus connotes. There exist no maps of the terrain except the natal horoscope.

Men in Midlife Crisis Jim Conway, 1997. Conway's advice comes from his own personal experience as well as years of research and counseling. After 20 years as a bestseller, this revised edition is even better.
