

FROM THE FILM
THE FAULT IN
OUR STARS

STY HAZE'S VOICE - MAYTAG - LATER

Haze walks out to the grass behind her house. She sprints back, tripping behind her. She lays down on the grass and looks up at the stars - the same EMER that opened the movie.

HER VOICE

She's so beautiful. You don't get tired of looking at her. You never worry if she's worried. When you know you know her is, she's funny without ever being mean.

THE BACKGROUND

- The magical music is there.
- The music is which they are overlooking the stars.
- The background music is some Frank's music.
- Putting over the best together.

All of these are things we see at the beginning of the movie, only now, we see the happy face, we see her's leg, we see the smiling and the delicious way. They don't make them sound like beautiful. They make them seem so beautiful - because they are really.

HER VOICE

I love her, and I love her. I'm so lucky to love her. That's true.

HER VOICE (CONT'D)

You don't get to choose if you get hurt. In this world that you do have a way to who hurts you.

- All that is, Haze is, the grass. She holds the stars to her chest. A simple word tells her her heart.

HER VOICE

I like my chance. I hope she likes her.

Haze looks up at the stars.

HER VOICE

Oh, that's beautiful.

A tear. Another.

Haze looks up at the stars. And she says to the universe:

HER VOICE

Oh.
