Analysis of the Second Amendment & the Crisis of Gun Violence: an Essay Tim I. Peace,2018-03-01 THE SECOND IT WAS AMENDED IN 1791 Thomas Jefferson as Secretary of State certified the Bill of Rights But what were the events that culminated into that second it was incorporated into the constitution In other words what were the prevailing thoughts of that epoch that lead to the enactment of a law as contentious as the Second Amendment And furthermore what is the greater implication of this The then embryo nation was conceived in an era of vociferous noises of what it meant for a man to be free This movement is a peculiar one in the Enlightenment era However must we bear and keep arms to enjoy the liberties a liberal society has to offer At the heart of this book is the examination of the ideals of what rights are and the justified efforts to secure them Since the days of Socrates these have been debated Notwithstanding that was eons ago The most important element of all rights enumerated by law or intrinsically endowed is that one mans right must not encroach on anothers rights are not a zero sum game Therefore leaving the Enlightenment time behind and the classical era of Athenss philosophy we must now be ready to challenge old

assumptions while learning from them and establishing fitting ethos for this generation **The 44th Legacy** H. H. Charles, 2021-10-07 A leader more focused on his legacy than meeting the demands of his office will fail in both This review of Barack Obama's legacy as the forty fourth president of the United States is no hymn of praise Those who support him and believe he has left an admirable legacy will sharply disagree and may even say it's motivated by prejudice and overly critical They are of course entitled to their opinions But having voted twice for his presidency in 2008 and 2012 that is not an assessment with which H H Charles can agree The impetus for undertaking this chronicle of Obama's legacy starts with the presidency of George W Bush the president who is first and foremost responsible for all the bloodshed genocide and crimes against humanity that plagues the Middle East to this day and which continues unabated into the indefinite future **The Great IRS Hoax, Form #11.302** Family Guardian Fellowship, 2020-02-06 Exhaustive treatment of the federal tax enforcement fraud OFFSITE LINK Disclaimer Disclaimer <https://famguardian.org/disclaimer.htm> Family Guardian Fellowship the author of this document has given their express permission for SEDM to republish their materials to Google Books and Google Play at section 10 of the following location https://famguardian.org/Ministry_DMCA_Copyright.htm For reasons why NONE of our materials may legally be censored and violate NO Google policies see https://sedm.org/why_our_materials_cannot_legally_be_censored **De Facto Government Scam, Form #05.043** Sovereignty Education and Defense Ministry (SEDM), 2020-02-06 Proves that we don't have a real de jure government and explains all the ways this de facto government illegally expands and protects its own criminal extortion enterprise and protection racket For reasons why NONE of our materials may legally be censored and violate NO Google policies see https://sedm.org/why_our_materials_cannot_legally_be_censored *A Perspective on How Our Government Was Built And Some Needed Changes* Darrel A. Nash, 2018-05-01 A Perspective on How Our Government Was Built And Some Needed Changes By Darrel A Nash What do we mean by we the people Who are the people Who claims authority to speak for the people How seriously do we take the words of our grand proclamations in the Declaration of Independence the preamble to the US Constitution the Gettysburg Address and the Pledge of Allegiance These are the questions that Darrel A Nash pursues in this book He finds a large mixture of conflicting answers as he explores the founding documents and later initiatives to build our democratic republic The struggles for answers have continued throughout our history Part Two records the beginning of this inquiry Nash wanted to find the bases for the First Second and Tenth Amendments to the Constitution To do this he reviewed the Federalist Papers which are purported to form the intellectual basis for the Constitution He found several of the arguments less than convincing But before the reader can see why Nash made his conclusions in Part Two Part One is needed to set the stage This lays out how only a small part of the population was represented and participated in creating the Constitution What might the Constitution be if all residents of the US had been represented in its creation Part Three goes into the Federalist Papers in more depth It shows how a number of political forces have worked and are working today to influence how we as a nation interpret the

Constitution and access the promises of the Founders This Part ends with changes needed to proceed with creating a more perfect union a nation that more fully lives up to our grand proclamations **SEDM Articles of Mission, Form #01.004**
