

- ☒ they needed protection against other villages that had guns.
- ☐ they were planning a war against the Europeans who wanted them shipped to America.
- ☐ they needed protection against epidemics that attacked their villages.

3. Complete the effect box after the cause has been provided.

| Cause: One West African king refused to take part in the slave trade. | Effect: The Europeans got another group of West Africans to go to war against the king and many of his people were captured. |
|-----------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------|

Teachers: Discuss the "Dilemma" at the end of section 8.4. What horrible choices did they face?

4. Discuss two to three of the "nightmares" that slaves faced during "The Middle Passage."

The slaves faced a terrible march just to make it to the ships. On the ships, the slaves were chained together and hardly had any room to move, stand up, or exercise. They received scores from beating to lay on the floorboards. The heat was unbearable and the ship was crawling with lice, flies, and rats.

5. Complete the effect after the cause has been provided.

|                                                               |                                                                                                                          |
|---------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Cause: Many of the Africans had never seen white skin before. | Effect: Many of the slaves thought the white men would kill and eat them, so they jumped off the ship or refused to eat. |
|---------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------|

Teachers: Again, this is another great place to discuss "Dilemma" since the slaves felt both of their choices were horrifying.

6. The slave revolt that happened on the ship *Amistad* in 1839 was quite different than other revolts because....

- ☒ the slaves actually triumphed over the captain and his crew and took over the *Amistad*.
- ☐ the slaves were forgiven by the captain and crew for the revolt.
- ☐ the crew of the *Amistad* sided with the slaves in the revolt.
- ☐ nobody actually died during this revolt.
