upon children and all people We realize anew how imperialism globalization industrialization and revolution continue to reshape our world and that of new generations At a volatile moment this collection asks how twenty first century literature and related media represent and shape the contemporary child childhood and youth Because literary representations construct ideal childhoods as well as model the rights privileges and respect afforded to actual young people this collection surveys examples from popular culture and from scholarly practice Chapters investigate the human rights of children in literature and international policy the potential subjective agency and power of the child the role models proposed for young people the diverse identities children embody and encounter and the environmental well being of future human and nonhuman generations As a snapshot of our developing historical moment this collection identifies emergent trends considers theories and critiques of childhood and literature and observes how new technologies and paradigms are destabilizing past conventions of storytelling and lived experience

Child Welfare for the Twenty-first Century Gerald P. Mallon, Peg McCartt Hess, 2014-02-18 The Adoption and Safe Families Act ASFA which became law in 1997 elicited a major shift in federal policy and thinking toward child welfare emphasizing children s safety permanency and well being over preserving their biological ties at all costs The first edition of this volume was the earliest major social work textbook to map the field of child welfare after ASFA s passage detailing the practices policies programs and research affected by the legislation s new attitude toward care This second edition highlights the continuously changing child welfare climate in the U S including content on the Fostering Connections Act of 2008 Gerald P Mallon and Peg McCartt Hess have updated the text throughout drawing from real world case examples using data obtained from the national Child and Family Services Reviews and emerging empirically based practices They have also added chapters addressing child welfare workforce issues supervision and research and evaluation Divided into four sections child and adolescent well being child and adolescent safety permanency for children and adolescents and systemic issues within services policies and programs this newly edited volume provides a current understanding of family support and child protective services risk assessment substance and sexual abuse issues domestic violence issues guardianship reunification kinship and foster family care adoption and transitional living programs Recognized scholars practitioners and policy makers also discuss meaningful engagement with families particularly Latino families health care for children and youth including mental health care effective practices with LGBT youth and their families placement stability foster parent recruitment and retention and the challenges of working with immigrant children youth and families

Twenty-First-Century Feminist Classrooms S. Sánchez-Casal, A. MacDonald, 2002-09-13 This book is centrally concerned with crucial theoretical and practical aspects of teaching in the national and global borderlands of gender race and sexuality studies The cross cultural feminist focus of this anthology allows the contributors to consider the various ways in which global and national frameworks intersect in the classroom and in students thinking and also the ways in which power and authority are developed directed and deployed in the feminist

classroom This volume provides a critical elaboration of provocative self reflexive questions for feminist cultural and intellectual practice for the 21st century In doing so the volume provides a site for engaged feminist self criticism for the specific purpose of reinvigorating a critical pedagogical practice grounded in multicultural feminist identities
