Homosexuality is often seen as a purely urban experience far removed from rural and small town life Farm Boys undermines that cliché by telling the stories of more than three dozen gay men ranging in age from 24 to 84 who grew up in farm families in the midwestern United States Whether painful funny or matter of fact these plain spoken accounts will move and educate any reader gay or not from farm or city When I was fifteen the milkman who came to get our milk was beautiful This is when I was really getting horny to do something with another guy I waited every day for him to come I couldn't even talk to him I couldn't think of anything to say I just stood there watching him wondering if he knew why Henry Bauer Minnesota When I go back home I feel a real connection with the land a tremendous feeling spiritual in a way It makes me want to go out into a field and take my shoes off and put my feet right on the dirt establish a real physical connection with that place I get homesick a lot but I don't know if I could ever go back there and live It's not the kind of place that would welcome me if I lived openly the way that I would like to live I would be shunned Martin Scherz Nebraska If there is a checklist to see if your kid is queer I must have hit every one of them all sorts of big warning signs I was always interested in a lot of the traditional queen things clothes cooking academics music theater A farm boy listening to show tunes My parents must have seen it coming Joe Shulka Wisconsin My favorite show when I was growing up was The Waltons The show's values comforted me and I identified with John Boy the sensitive son who wanted to be a writer He belonged there on the mountain with his family yet he sensed that he was different and that he was often misunderstood Sometimes I still feel like a misfit even with gay people Connie Sanders Illinois Agriculture is my life I like working with farm people although they don't really understand me When I retire I want the word to get out that I'm gay to the people I've worked with the dairy producers the veterinarians the feed salesmen the guys at the co-ops They're going to be shocked but their eyes are going to be opened James Heckman Indiana A Dictionary of the English Language ...
