Introduction to Health and Safety at Work ,

**Employment Law** Elizabeth Aylott, 2018-09-03 To many the world of employment law can seem complex and confusing But this important system that regulates the relationship between employers and employees is essential to understand

Employment Law is a clear and practical guide to understanding and applying the law effectively at work in the UK. It offers a complete overview of the fundamentals of employment law, exploring its importance for an organization, its employees, and the HR function. Using a combination of practical tools, checklists, case studies, and real-life examples, it builds legal knowledge in key areas including recruitment, contracts, discrimination, equal pay, health and safety, and managing the end of the employment relationship. This fully revised second edition of Employment Law is updated to include the latest developments and changes in law and HR perspectives. It contains new material on employment statuses, Gender Pay Gap Reporting, Shared Parental Leave, the General Data Protection Regulation (GDPR), and disability discrimination, which is supported by updated case studies and a suite of new online resources.

**HR Fundamentals** is a series of succinct practical guides for students and those in the early stages of their HR careers. They are endorsed by the Chartered Institute of Personnel and Development (CIPD), the UK professional body for HR and people development, which has over 145,000 members worldwide.

**Fire Safety and Risk Management** Fire Protection Association, 2014-10-24. This textbook is directly aligned to the NEBOSH National Certificate in Fire Safety and Risk Management, with each element of the syllabus explained in detail. Each chapter guides the student through the syllabus with references to legal frameworks and guidelines. Images, tables, case studies, and key information are highlighted within the text to make learning more productive. Covering fire behaviour, safety management, risk assessment, prevention, and the changes to HSG65, the book can also be used as a daily reference by professionals. Written by experts in the field of fire safety, it provides complete coverage that goes beyond the syllabus content, making it a useful resource after study. Illustrated throughout to enhance understanding.

**Key Topics in Surgical Research and Methodology** Thanos Athanasiou, H. Debas, Ara Darzi, 2010-02-28. Key Topics in Surgical Research and Methodology represents a comprehensive reference text accessible to the surgeon embarking on an academic career. Key themes emphasize and summarize the text. Four key elements are covered: i.e. Surgical Research, Research Methodology, Practical Problems and Solutions on Research, as well as Recent Developments and Future Prospects in Surgical Research and Practice.

**Law and Professional Issues in Nursing** Richard Griffith, Cassam Tengnah, 2023-04-05. Mapped to the 2018 NMC Standards, this practical and straightforward book is an essential introduction to law and associated professional issues in nursing. Why do you need this book? Offers a clear and concise introduction to the law you need to know. Written specifically for nursing students in straightforward, jargon-free language. Updated throughout to reflect recent changes in the law, including the Liberty Protection Safeguards. Case studies and activities build your knowledge of how the law applies to everyday nursing practice.
