Say What I Am Called Dieter Bitterli, 2009-05-09 Perhaps the most enigmatic cultural artifacts that survive from the Anglo Saxon period are the Old English riddle poems that were preserved in the tenth century Exeter Book manuscript Clever challenging and notoriously obscure the riddles have fascinated readers for centuries and provided crucial insight into the period In Say What I Am Called Dieter Bitterli takes a fresh look at the riddles by examining them in the context of earlier Anglo Latin riddles Bitterli argues that there is a vigorous common tradition between Anglo Latin and Old English riddles and details how the contents of the Exeter Book emulate and reassess their Latin predecessors while also expanding their literary and formal conventions The book also considers the ways in which convention and content relate to writing in a vernacular language A rich and illuminating work that is as intriguing as the riddles themselves Say What I Am Called is a rewarding study of some of the most interesting works from the Anglo Saxon period [The British National Bibliography](#)
