Surviving is a true blessing that few get to experience Being strapped in the seat of a plane as it plunges into a nosedive midair is everyone s worst nightmare Bracing for Impact s compilers and contributors know They have both lived out that fear and survived albeit badly hurt in their own plane crashes In this collection of true life survivor tales people from all walks of life a freelance writer a crew member of the Lynyrd Skynyrd band a naval flight surgeon a teenager and a newlywed on her honeymoon among others recount their traumatic narrow escapes as engines stalled fuel ran out hazardous weather conditions descended and landings did not go according to plan In the face of death as life flashed before their eyes or not as some wryly note these survivors encountered the terrific split of before and after the crash Their lives though preserved would change forever Perhaps more significant than the crash itself is how each story plays out in the aftermath of the ordeal In heart wrenching unrelenting honesty these stories explore the wide spectrum of impacts on survivors ranging from debilitating fear post traumatic stress disorder and substance abuse to a renewed sense of urgency where survivors swear to live each day to the fullest and rededicate their lives to helping others Including the 1977 story of the Lynyrd Skynyrd plane crash that killed lead singer Ronnie Van Zant guitarist Steve Gaines and vocalist Cassie Gaines Bracing for Impact is as much a horrific account of air disasters as it is a celebration and recognition of the people who survived them Fans of the 2016 Clint Eastwood film Sully starring Tom Hanks will enjoy this edge of your seat read
