The Mountain Guide Manual Marc Chauvin, Rob Coppelillo, 2017-05-15 Written by the International Federation of Mountain Guides Association IFMGA certified mountain guides Marc Chauvin and Rob Coppelillo The Mountain Guide Manual is the go to reference for novice and experienced mountain guides as well as advanced recreationalists Covering everything from rope systems and belaying to advice on group dynamics and rescuing the manual combines practical how to instruction with clear graphics illustrations and awe inspiring alpine imagery **Cascade Alpine Guide: Columbia River to Stevens Pass** Fred Beckey, 2000-09-30 Cascades climbing routes the guidebooks relied on for more than 25 years Northwest climbing legend Fred Beckey has summited and explored hundreds of Cascade peaks Hand drawn maps and photos with route overlays as well as approach information This is the volume one of three that Fred Beckey wrote for climbing in the Cascades His Cascade Alpine Guide series is considered classic information from one of the nation's godfathers of Western climbing Columbia River to Stevens Pass features expert information on more than 300 climbing and high routes in the Cascades including Mount Rainier Here you'll find geographical historical and geological overviews of the majestic North Cascades region plus important tips on safety and backcountry usage and enough technical and grade information to make clear exactly what type of route you are embarking upon Without a doubt this exhaustive resource should be a staple in every serious mountaineer's collection **Liar! Liar! Pants on Fire!** Jan Payne, 2012-05-10 Whether it's facts about dinosaurs or a myth about oceans that they always thought was true the fun facts in this book are guaranteed to amaze kids and parents alike From weird animal behavior to ancient civilizations from mighty dinosaurs to fabulous inventions kids can discover the remarkable truth or uncover amazing myth busters First they can test their knowledge at the beginning of each chapter and then turn the page to find out what is true and what is false True or False Cockroaches can survive without their heads True Since they can survive for many days without food cockroaches don't need their heads to keep going Unlike humans cockroaches breathe through parts of their body there is no nose on their heads It can survive for weeks without one Talk about a brawny bug True or False An avalanche can happen if someone yells on a snow covered mountain False In movies and TV shows avalanches are triggered when someone shouts or fires a gun In reality this isn't powerful enough to start one Many avalanches are caused when the weight of a person crossing an unstable slope dislodges the snow so it rushes down the mountain often taking the person with it True or False The first explorer to reach the South Pole was Robert Falcon Scott False In 1912 when Robert Falcon Scott made a grueling trek to the South Pole he found himself in a race with a team of Norwegians led by Roald Amundsen Both men were determined to reach the Pole first When Scott's team finally reached their target to the dismay they found the Norwegians had beaten them to it by a month On the return journey Scott and his team perished from starvation and frostbite True or False The skeletons of babies and adult humans have the same number of parts False When babies are born their skeletons contain nearly 300 parts As they grow

older some of the parts fuse together and by adulthood the skeleton consists of 206 bones True or False The human nose produces a cupful of mucus everyday False Scientists have estimated the nose can produce up to a liter a day of mucus most of which will be swallowed Snot traps dirt pollen and germs and stops them from getting in your lungs which could make you ill The mucus near your nostrils dries out around the particles forming a green lump The rest of the mucus slides down your throat Yuck With these and hundreds more incredible true or false questions kids will have a great time testing their knowledge and learning incredible truths and uncovering lousy lies
