The Commercial & Financial Chronicle, 1920 **Borrowed Land, Stolen Labor, and the Holy Spirit** Diane T. Feldman, 2025-07-15 Borrowed Land Stolen Labor and the Holy Spirit The Struggle for Power and Equality in Holmes County Mississippi chronicles the profound history of a low income county that became a pivotal site for Delta organizing during the civil rights movement Landowning African American farmers who enjoyed more economic independence than sharecroppers emerged as the grassroots leaders of the movement The volume begins with the county's Native American heritage moving through the periods of removal land sales to speculators the rapid increase of enslaved labor in the nineteenth century and early African American political engagement during Reconstruction Author Diane T Feldman explores how African Americans fostered cooperative landownership efforts in the 1880s and 1920s alongside the development of schools and churches particularly the Church of God in Christ a denomination founded in Holmes County The fight for voting rights started with African American farmers in the 1950s and gained momentum with the Student Nonviolent Coordinating Committee in the 1960s Their struggle to desegregate schools culminated in the landmark Supreme Court case *Alexander v Holmes* which abolished dual school systems in the South The final chapters cover the past sixty years and current initiatives to restore food production in the Mississippi Delta Enriched with recent and historic photographs this volume serves as a microhistory of a single county illuminating broader themes prevalent throughout Mississippi and the rural South Fundamentals of Management with Online Study Tools 12 Months Danny Samson, Richard L Daft, Timothy Donnet, 2017-12-05 Samson Daft Donnet's Fundamentals of Management is a robust foundation text providing a balance of broad theoretical content with accessible language for students This sixth edition features a new author on the team and contains updates to content based on recent research Along with current management theory and practice the text integrates coverage of innovation entrepreneurship agile workplaces social media and new technology throughout The book is rich with experiential exercises self assessment activities challenges and cases for students to engage with developing multiple skills Examples within the text are both local and global with a new focus on a skills approach and each part of the text concludes with a contemporary continuing case study focussing on car company Toyota as it faces managerial challenges and opportunities in the region The text covers the four key management functions Planning Organising Leading and Controlling conveying to students the elements of a manager's working day *The Grey Zone* Mark Lattimer, Philippe Sands, 2018-07-26 The high civilian death toll in modern protracted conflicts such as those in Syria or Iraq indicate the limits of international law in offering protections to civilians at risk A recent conference of states convened by the International Committee of the Red Cross referred to an institutional vacuum in the area of international humanitarian law implementation Yet both international humanitarian law and the law of human rights establish a series of rights intended to protect civilians But which law or laws apply in a particular situation and what are the obstacles to their implementation How can the law offer greater protections to civilians

caught up in new methods of warfare such as drone strikes or targeted by new forms of military organisation such as transnational armed groups Can the implementation gap be filled by the growing use of human rights courts to remedy violations of the laws of armed conflict or are new instruments or mechanisms of civilian legal protection needed This volume brings together contributions from leading academic authorities and legal practitioners on the situation of civilians in the grey zone between human rights and the laws of war The chapters in Part 1 address key contested or boundary issues in defining the rights of civilians or non combatants in today s conflicts Those in Part 2 examine remedies and current mechanisms for redress both at the international and national level and those in Part 3 assess prospects for the development of new mechanisms for addressing violations As military intervention to protect civilians remains contested this volume looks at the potential for developing alternative approaches to the protection of civilians and their rights Official Army National Guard Register United States. National Guard Bureau,1959 The Commercial and Financial Chronicle ,1908 *The Commercial & Financial Chronicle ...* ,1922 **Lower Mississippi Region Comprehensive Study: Main report** United States. Mississippi River Commission,1974 Behind the Search Box ShinJoung Yeo,2023-04-18 Once seen as a harbinger of a new enlightened capitalism Google has become a model of robber baron rapaciousness thanks to its ruthless monetizing of private data obsession with monopoly and pervasive systems of labor discrimination and exploitation Using the company as a jumping off point ShinJoung Yeo explores the political economy of the search engine industry against the backdrop of the relationship between information and capitalism s developmental processes Yeo s critical analysis draws on in depth discussions of essential issues like how the search engine evolved into a ubiquitous commercial service it s place in a global information business that is restructuring the information industry and our very social lives who exactly designs and uses search technology what kinds of workers labor behind the scenes and the influence of geopolitics An incisive look at a pervasive presence in our lives Behind the Search Box places the search engine industry s rise and ongoing success within an original political economy of digital capitalism **The Trans-Mississippi and International Expositions of 1898-1899** Wendy Jean Katz,2018-02-01 The Trans Mississippi Exposition of 1898 celebrated Omaha s key economic role as a center of industry west of the Mississippi River and its arrival as a progressive metropolis after the Panic of 1893 The exposition also promoted the rise of the United States as an imperial power at the time on the brink of the Spanish American War and the nation s place in bringing civilization to Indigenous populations both overseas and at the conclusion of the recent Plains Indian Wars The Omaha World s Fair however is one of the least studied American expositions Wendy Jean Katz brings together leading scholars to better understand the event s place in the larger history of both Victorian era America and the American West The interdisciplinary essays in this volume cover an array of topics from competing commercial visions of the cities of the Great West to the role of women in the promotion of City Beautiful ideals of public art and urban planning and the constructions of Indigenous and national identities through exhibition display and popular culture Leading scholars T J

Boisseau Bonnie M Miller Sarah J Moore Nancy Parezo Akim Reinhardt and Robert Rydell among others discuss this often misunderstood world's fair and its place in the Victorian era ascension of the United States as a world power **C & MS.**,1965 **To Raise and Discipline an Army** Joshua Kastenberg,2017-04-15 Major General Enoch Crowder served as the Judge Advocate General of the United States Army from 1911 to 1923 In 1915 Crowder convinced Congress to increase the size of the Judge Advocate General's Office the legal arm of the United States Army from thirteen uniformed attorneys to more than four hundred Crowder's recruitment of some of the nation's leading legal scholars as well as former congressmen and state supreme court judges helped legitimize President Woodrow Wilson's wartime military and legal policies As the United States entered World War I in 1917 the army numbered about 120 000 soldiers The Judge Advocate General's Office was instrumental in extending the military's reach into the everyday lives of citizens to enable the construction of an army of more than four million soldiers by the end of the war Under Crowder's leadership the office was responsible for the creation and administration of the Selective Service Act under which thousands of men were drafted into military service as well as enforcement of the Espionage Act and wartime prohibition In this first published history of the Judge Advocate General's Office between the years of 1914 and 1922 Joshua Kastenberg examines not only courts martial but also the development of the laws of war and the changing nature of civil military relations The Judge Advocate General's Office influenced the legislative and judicial branches of the government to permit unparalleled assertions of power such as control over local policing functions and the economy Judge advocates also altered the nature of laws to recognize a person's diminished mental health as a defense in criminal trials influenced the assertion of US law overseas and affected the evolving nature of the law of war This groundbreaking study will appeal to scholars students and general readers of US history as well as military legal and political historians **Stages and Discharges of the Mississippi River and Tributaries in the Memphis District**,1975 **Stages and Discharges of the Mississippi River and Tributaries and Other Watersheds in the New Orleans District** United States. Army. Corps of Engineers,1979 **Journal** Ireland. Department of Agriculture and Fisheries,1917 *The Ascent of John Tyndall* Roland Jackson,2018-03-13 Rising from a humble background in rural southern Ireland John Tyndall became one of the foremost physicists communicators of science and polemicists in mid Victorian Britain In science he is known for his important work in meteorology climate science magnetism acoustics and bacteriology His discoveries include the physical basis of the warming of the Earth's atmosphere the basis of the greenhouse effect and establishing why the sky is blue But he was also a leading communicator of science drawing great crowds to his lectures at the Royal Institution while also playing an active role in the Royal Society Tyndall moved in the highest social and intellectual circles A friend of Tennyson and Carlyle as well as Michael Faraday and Thomas Huxley Tyndall was one of the most visible advocates of a scientific world view as tensions grew between developing scientific knowledge and theology He was an active and often controversial commentator through letters essays speeches and debates on the scientific political

and social issues of the day with strongly stated views on Ireland religion race and the role of women Widely read in America his lecture tour there in 1872 73 was a great success Roland Jackson paints a picture of an individual at the heart of Victorian science and society He also describes Tyndall s importance as a pioneering mountaineer in what has become known as the Golden Age of Alpinism Among other feats Tyndall was the first to traverse the Matterhorn He presents Tyndall as a complex personality full of contrasts with his intense sense of duty his deep love of poetry his generosity to friends and his combativeness his persistent ill health alongside great physical stamina driving him to his mountaineering feats Drawing on Tyndall s letters and journals for this first major biography of Tyndall since 1945 Jackson explores the legacy of a man who aroused strong opinions strong loyalties and strong enmities throughout his life **To The Stars** Umberto
