The Proud Oak

Once upon a time, in a beautiful forest, there stood a large, old oak tree. He was very proud of his size and strength. He looked down on all the other trees and said, "I am the king of the forest. No one can match me."

One day, a gentle reed grew up near the oak. The reed was very small and thin, but he was very strong. He said to the oak, "You are very proud, but you are also very fragile. One day, a strong wind will come, and you will be broken."

The oak laughed and said, "I am not afraid of the wind. I am the king of the forest. I will stand firm and strong. I will not be broken by the wind."

One day, a very strong wind came. The oak tree was broken in two. The reed tree was still standing. The reed tree said to the oak, "I told you so. You are very proud, but you are also very fragile. One day, a strong wind will come, and you will be broken."
