

EXPOSITION

Hazel Grace Lancaster is a 16-year-old girl living with terminal cancer. Although the growth of her cancer has been slowed by an experimental drug, Hazel hopes for a cure by traveling her way through a rarebook business due to her desire to live longer, and she breathes with the help of a portable oxygen tank and tubes.

CONFLICT

Hazel makes friends with a cancer-survivor named Augustus, but does not want to become romantically involved with him to avoid breaking his heart when she dies.

RIISING ACTION

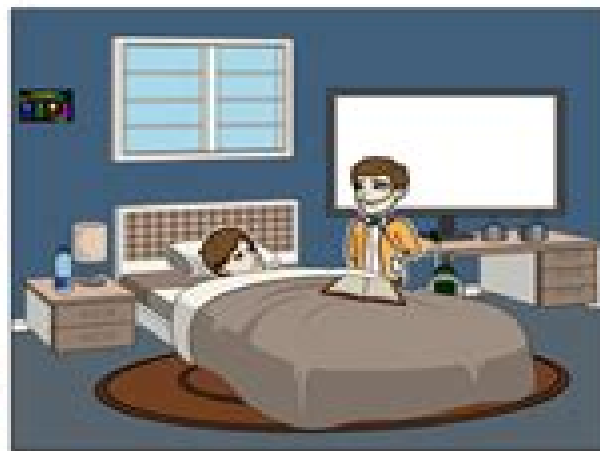

Hazel and Augustus grow closer together through a shared love of the book *An Imperial Attraction* by Peter Van Dooine. They write to Van Dooine to find out the details of his unfinished ending, and when he refuses to tell them, they plan a trip to visit him.

CLIMAX

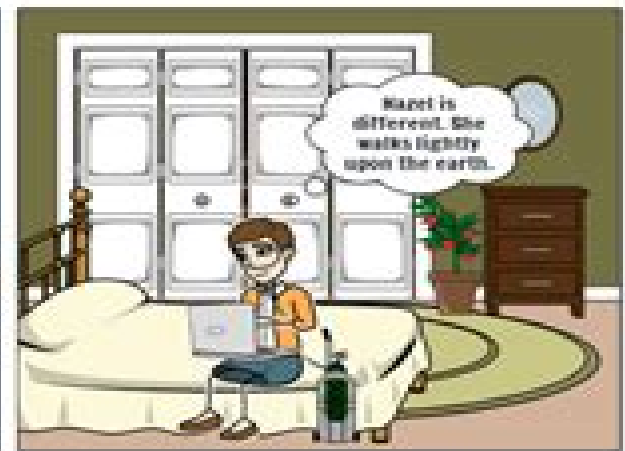

Hazel and Augustus are disappointed by Peter Van Dooine in Amsterdam, but they grow closer together as a result of the trip. Hazel agrees to begin a romantic relationship with Augustus only to learn that his cancer has returned and cannot be treated.

FALLING ACTION

As Augustus's health deteriorates, Hazel and Gus grow closer together and help each other deal with their physical and emotional pain.

RESOLUTION

Augustus dies, but Hazel is grateful to have loved him and feels comforted by the eulogy he left behind for her.
