Federer The Greatest:

Roger Federer: The Greatest Chris Bowers, 2011-05-02 Roger Federer is a legend not only in the world of tennis but also in the wider sporting arena. With a record breaking tally of 16 Grand Slam titles to his name he shows no sign of slowing down and in 2010 added another Australian Open win to his collection as well as taking the trophy in the end of season ATP World Wide Tour Finals in London. This authoritative and affectionate biography traces the rise of Federer from his first tentative strokes with a tennis racket to how he dealt with being sent away to a training academy where he struggled to communicate in a French speaking part of Switzerland and how he handled the sudden death of his first real coach and mentor. It looks at his development as a sportsman and how he has matured into a family man with his marriage to Mirka Vavrinec and the birth of their twin girls. It also examines how Roger bounced back from arguably one of the most challenging periods of his career as following a serious illness and a dip in form his run of successive Wimbledon championship wins was ended and he was toppled from the number one spot by his long time rival Rafael Nadal. In characteristic style Federer silenced his critics by winning the French Open title for the first time reclaiming his Wimbledon crown and ending 2009 at the number one position for the fifth time.

Federer - The Greatest Chris Bowers, 2015 The Master Christopher Clarey, 2021-08-24 This New York Times bestselling biography tells the life story of the most iconic men's tennis player of the modern era. There have been other biographies of Roger Federer but never one with this kind of access to the man himself, his support team and the most prominent figures in the game including such rivals as Rafael Nadal, Novak Djokovic and Andy Roddick. In The Master New York Times correspondent Christopher Clarey sits down with Federer and those closest to him to tell the story of the greatest player in men's tennis. Roger Federer has often made it look astonishingly easy through the decades: carving backhands, gliding to forehands, leaping for overheads and in his most gravity defying act remaining high on a pedestal in a world of sports rightfully flooded with cynicism. But his path from temperamental, bleach blond teenager with dubious style sense to one of the greatest, most self possessed and elegant of competitors has been a long running act of will not destiny. He not only had a great gift, he had grit. Christopher Clarey, one of the top international sportswriters working today, has covered Federer since the beginning of his professional career. He was in Paris on the Suzanne Lenglen Court for Federer's first Grand Slam match and has interviewed him exclusively more than any other journalist since his rise to prominence. Here Clarey focuses on the pivotal people, places and moments in Federer's long and rich career, reporting from South Africa, South America, the Middle East, four Grand Slam tournaments and Federer's native Switzerland. It has been a journey like no other player's, rife with victories and a few crushing defeats, one that has redefined enduring excellence and made Federer a sentimental favorite worldwide. The Master tells the story of Federer's life and career on both an intimate and grand scale in a way no one else could possibly do.
