

A romantic couple is featured in a close embrace against a city skyline at night. The woman, with long brown hair and red lipstick, is looking up at the man. The man, with short dark hair and a light beard, is looking directly at the camera. They are both dressed in formal attire. The background shows a city with illuminated buildings under a dark, starry sky.

His Second Wife Ernest Poole, 1918 **His Second Wife** Ernest Poole, 2017-12-29 **His Second Wife** **His Second Wife. A Novel** Elizabeth Eiloart, 1877 **His Second Wife** Favor V April, 2022-10-26 Christopher Grayston only wanted to marry to stop his grandfather from asking him to remarry. As a result he married a girl he met outside civil affairs. He wanted to marry someone with whom they would never consummate their marriage. So he settled for a young girl he had just met standing outside the Civil Affairs Bureau knowing full well that he wouldn't touch her because she was just a girl. Camila Mendoza fit the bill since she was young though she was a temptress without even trying. The two signed the marriage certificates and went their separate ways. However 3 months down the line fate brought them together. Camila saved a kid and later learned that the boy she saved was her husband's son. Camila never cared about how her whore of a husband conducted his life until she met his son. Everything was fine till his ex wife came stumbling back into his life. A man who is always making headlines about his sex life and a wife on a mission. Who would triumph **His Second Wife Annotated** Ernest Poole, 2021-05-12 **His Second Wife** is novel by Ernest Poole published in 1998 **His Second Wife (Classic Reprint)** Ernest Poole, 2015-07-10 Excerpt from **His Second Wife** On a train speeding toward New York in one of the parlour cars two young women sat facing each other talking and smiling deeply absorbed. They took little apparent notice of any one else in the car but most of the people near them kept throwing curious glances their way. These glances differed vastly as did the thoughts behind them. A tall genial Westerner who looked as though he had come from a ranch smiled frankly and hungrily on the pair and told himself with emphasis Those two girls are fifty fifty I'd like a dozen of each brand. And a slim college boy with fresh eager eyes kept darting quick looks from time to time at the older of the two the blonde. He asked himself confusedly How'd I start in with a woman like her. And exciting pictures rose in his mind. In the meantime an elderly lady with a sharp inquisitive air had put down the ages of the girls at twenty two and thirty. They're sisters she decided but then she nearly changed her mind. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. Polygynous Marriages among the Kyrgyz Michele E. Commercio, 2022-12-06 During Soviet rule the state all but imposed atheism on the primarily Islamic people of Kyrgyzstan and limited the tradition of polygyny a form of polygamy in which one man has multiple wives. Polygyny did continue under communism though chiefly under concealment. In the decades since the fall of the Soviet Union the practice has reemerged. Based on extensive fieldwork **Polygynous Marriages among the Kyrgyz**

argues that this marriage practice has become socially acceptable and widely dispersed not only because it is rooted in customary law and Islamic practice but because it can also enable men and women to meet societal expectations and solve practical economic problems that resulted from the fall of the Soviet Union Michele E Commercio's analysis suggests the normalization of polygyny among the Kyrgyz in contemporary Kyrgyzstan is due both to institutional change in the form of altered governmental rules and expectations and to institutional endurance in the form of persistent hegemonic constructions of gender
