Bonk,2004-08-30 When it comes to their personal transportation today s youth have shunned the large heavy performance
cars of their parents generation and instead embraced what has become known as the sport compact smaller lightweight
modern sports cars of predominantly Japanese manufacture These cars respond well to performance modifications due to
their light weight and technology laden high revving engines And by far the most sought after and modified cars are the
Hondas and Acuras of the mid 80s to the present An extremely popular method of improving vehicle performance is a process
known as engine swapping Engine swapping consists of removing a more powerful engine from a better equipped or more
modern vehicle and installing it into your own It is one of the most efficient and affordable methods of improving your vehicle
s performance This book covers in detail all the most popular performance swaps for Honda Civic Accord and Prelude as well
as the Acura Integra It includes vital information on electrics fit and drivetrain compatibility design considerations step by
step instruction and costs This book is must have for the Honda enthusiast Honda Accord 1981 Service Manual ,1981
