irresistible pull of love and connection with others to which we are drawn Reconciling these opposites John Amodeo shows how spirituality and vibrant relationships are identical He says that Buddha s concept of the root of suffering is misunderstood It is not desire that causes suffering desire is the fire that springs from the basic life force Drawing upon the science of attachment theory Amodeo illuminates how the root of our suffering is disconnection from ourselves and others which is fueled by clinging to what doesn t serve us In a conversational tone Amodeo presents relationship as sacred experience He teaches how to welcome desire mindfully rather than suppress it and how to overcome fear of failure in relating He also discusses meditation as self intimacy and holding ourselves with loving kindness Lastly he explores the role of community in spiritual awakening and the issue of whom to trust our guru or ourselves
