**Follow Your Heart** Donald D. McCall, Barbara B. McCall, 2021-05-28 This book was written primarily for our grandchildren to assist them as a guidon during their growing years It contains anecdotal guard rails to guide them as they encounter the life changing decisions which they will someday have to make Most of all it is our way of reminding them that Grandchildren are the joy and crown of the aged Proverbs 17 6 NRSV      **Don't Follow Your Heart** Thaddeus J. Williams, 2023-10-03 Why chasing after expressive individualism experiences and desires always fails to deliver on its promise of happiness Today we are told to be true to ourselves look within for answers and follow our hearts But when we put our own happiness first we experience record breaking levels of aimlessness loneliness depression and anxiety Self centeredness always fails to deliver the fulfillment we're seeking In *Don't Follow Your Heart* Thaddeus Williams debunks the ten commandments of self worship which include popular propaganda like *liveyourbestlife* Thou shalt always act in accord with your chief end to glorify and enjoy yourself forever *followyourheart* Thou shalt obey your emotions at all costs *yolo* Thou shalt pursue the rush of boundary free experience Williams builds a case that this type of self worship is not authentic satisfying or edgy Instead it's rehashing what is literally humanity's oldest lie He calls on a new generation of mavericks and renegades heretics who refuse to march in unison with the self obsessed herd With a fascinating blend of theology philosophy science psychology and pop culture Williams points us to a life beyond self defeating dogmas to a more meaningful life centered on Someone infinitely more interesting satisfying and awesome than ourselves Featuring stories from Carl Trueman Joni Eareckson Tada J P Moreland Josh McDowell Alisa Childers and more Following the herd is leading our generation off a cliff Maybe a little heresy can do us a lot of good Collin Hansen      *Find Your Heart, Follow Your Heart* Keri J. Olson, 2017-07-18 Are you at a crossroads in your personal or professional life Do you long for more meaning joy and authenticity Do you feel stuck yet crave something new *Find Your Heart Follow Your Heart* is there to help guide you on your journey Through a series of essays affirmations and associated questions you'll explore topics intended to help you find opportunities for growth and illumination for your path This engaging book will help you discover the answers that are already there waiting for you deep in your heart      *Follow Your Heart and God* Barb Jalas, 2023-02-09 Miss Addy didn't think the career choice she made for herself was her true calling She wasn't completely happy and didn't know why There has to be something else out there for her So with no destination in mind she left it up to God for guidance and she left her old life behind Friends and family thought she had totally lost her mind just to leave the way she did She kind of thought that herself But something somewhere was telling her to leave She packed up her life and headed out She stopped off at a small town down the road a couple of days away Just a stopover she said to herself She stayed at a small mom and pop motel and seemed to make a couple of instant friends By touring the town and surrounding vicinity Addy decided to stay for a couple more days Before she even realized it she had a job at a small cafe in town It just seemed right to

be what she truly was to do a waitress of all things By doing this she met even more close friends who warmed up and welcomed her Everything was falling into place and her experiences in this town made up her mind This is where I will call home Addy knew with all her heart that God did bring her here for a reason Now only he knows how her adventure will begin and end
