**Football Fields and Battlefields** Miller Jeff, 2018-10-09 The 2003 Army football team achieved futility in major college play that might never be equaled losing all 13 of its games The squad that took the field on a frigid December 2003 day in Philadelphia for the celebrated Army Navy game featured only eight fourth year seniors just a slice of the fifty energetic freshmen plebes in academy vernacular who reported to West Point amid the heat and humidity of the summer of 2000 hoping to land spots on the football team For most of the fifty West Point represented their best or only opportunity to play major college football They were bypassed by the big time football schools that award athletic scholarships which aren't available at the nation's military academies Making a five year active duty military commitment following graduation was a small price to pay during peacetime But peacetime in America ended only days into their second year at the academy on September 11 2001 Those eight seniors like virtually all of their cadet peers maintained their commitments to the US Army in the wake of 9 11 They worked their way up from West Point's JV football team as freshmen earned positions on the Black Knights varsity team as others left the program voluntarily or otherwise and walked to the center of the field for the coin toss before that final opportunity for victory against the arch rival Midshipmen The football field then gave way to the battlefield Most of the eight were deployed overseas serving at least one tour in either Iraq or Afghanistan One won the Bronze Star another the Purple Heart One qualified for an elite Rangers battalion another for the 160th special operations aviation Night Stalkers They took on enemy fire They grieved at the loss of brothers in arms They hugged their loved ones tightly upon returning home There was no more talk of football losses They were winners

**Football Governance** Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee, 2013-01-29 The Committee reported previously on domestic football governance in July 2011 7th report of session 2010 12 HC 792 I ISBN 9780215561114 after concerns were expressed by supporters and commentators about the sufficiency of checks and balances on financial management in football as well as wider failures of governance The report concluded that the Football Association English football's governing body was in need of urgent reform The Committee said the leagues especially the Premier League had too great an influence over the decision making processes of the Football Association In particular the Committee was concerned that increasing commercialisation of the game coupled with a lack of financial regulation was leading to significant financial risk taking among football clubs that threatens the game The Committee has been very disappointed by the football authorities response to its proposals for reform While progress has been achieved further reform is needed especially in relation to the licensing model the failure to ensure that membership of the Main Board Council and influential committees is fully representative and balances interests adequately and the way in which supporter engagement will operate at club level Most fundamentally the financial proposals were hugely disappointing with the only really positive development being the eventual introduction of

Financial Fair Play rules despite the football authorities initial reluctance The Committee issues an ultimatum to the game of English football make the necessary reforms within 12 months or face possible legislation      *Encyclopedia of British Football* Richard William Cox,Dave Russell,Wray Vamplew,2002 This reference work aims to provide sports enthusiasts journalists librarians students and scholars with an authoritative source of information on a comprehensive range of subjects covering the history and organization of football in Britain Over 250 entries focus on key organisations or individuals famous clubs major competitions events venues and incidents institutions and organisations as well as key issues such as gender racism commercialization professionalism and drugs alcohol and football
