the Authorised English Version Constantin von Tischendorf, 1869 Voltaire Ian Davidson, 2012-03-12 The definitive biography of Voltaire s life from his scandalous love affairs and political maneuverings to his inspired philosophy We think of Voltaire as the archetypal figure of the enlightenment in his own time he was also the most famous and controversial figure in Europe This dazzling new biography celebrates his extraordinary life Davidson tells the whole rich story of Voltaire s life 1694 1778 his early imprisonment in the Bastille exile in England and his mastery of English an obsession with money of which he made a huge amount a scandalous love life a long exile on the borders of Switzerland his human rights campaigns and his triumphant return to Paris to die there as celebrity extraordinaire Throughout all of this Voltaire s life was always informed by two things a belief in the essential value of toleration in the face of fanaticism and in the right of every man to think and say what he liked It is rare to have such a vivid portrait of a great man American Language Supplement 2 H.L. Mencken, 2012-04-04 The DEFINITIVE EDITION OF The American Language was published in 1936 Since then it has been recognized as a classic It is that rarest of literary accomplishments a book that is authoritative and scientific and is at the same time very diverting reading But after 1936 HLM continued to gather new materials diligently In 1945 those which related to the first six chapters of The American Language were published as Supplement I the present volume contains those new materials which relate to the other chapters The ground thus covered in Supplement II is as follows 1 American Pronunciation Its history Its divergence from English usage The regional and racial dialects 2 American Spelling The influence of Noah Webster upon it Its characters today The simplified spelling movement The treatment of loan words Punctuation capitalization and abbreviation 3 The Common Speech Outlines of its grammar Its verbs pronouns nouns adjectives and adverbs The double negative Other peculiarities 4 Proper Names in America Surnames Given names Place names Other names 5 American Slang Its origin and history The argot of various racial and occupational groups Although the text of Supplement II is related to that of The American Language it is an independent work that may be read profitably by

persons who do not know either The American Language or Supplement I
