Brenton's Septuagint, Restored Names Version, Volume 1 Clinton R Smith,2014-04-11 The Septuagint is the only extant Greek translation from a Hebrew MSS that is currently lost to us The Greek Septuagint and its Autograph were extensively used before the Christian era as has been testified to by historians and many similarities manifest in the Dead Sea Scrolls During the age of the Messiah and the Apostles it appears they exclusively used either the Greek Septuagint or its Autograph as is demonstrated by the parallels found in their quotes from the Hebrew Scriptures O T The Septuagint persevered into the age of the early Church Fathers where after it inexplicably fell into disuse This is a fresh approach to Sir Brenton s translation in that this it restores the original Hebrew Names as found in the Masoretic Text While this approach may seem like a glaring paradox it may however be reasoned that a more satisfying though not perfect English translation has subsequently evolved **Foundations for Fruitful Church Planting** Ken L. Servants for His Glory Miguel Núñez,2021-06-15 Being is greater than doing We all come into the world with a certain emptiness in our lives an emptiness that leads to a search for meaning And the world tells us that search for meaning can be solved by doing Unfortunately an overemphasis on doing has led many people away from cultivating an interior life that allows them to sustain their exterior life This explains the many failures we continuously see in day to day life When a person s inner life who he or she is is not prepared that person s character does not have the maturity or the strength to sustain them in the long run In this book Miguel N ez points us to Scripture and experience to show us how being is more important than doing He teaches us how to cultivate the foundations of our lives so that we can be what we need to be in order to do what we need to do

examines the interpretational problems associated with the opposition between the letter that kills and the Spirit that gives life Fresh insights emerge Ultimately the whole issue turns on the question whether to understand the Old Testament according to the literal letteral or literal spiritual sense As a consequence Paul breaks up with Judaism and pulls down the works of the law since he competes against the view of observing the Torah in flesh and according to the literal letteral meaning of the text He regards such a religious pursuit as the worst form of human self righteousness and self praise despite the serious efforts to true piety On the other hand Christians have undergone a transformation in terms of recreation regeneration resuscitation resurrection or revitalization The Spirit gives them life He reigns in them Hence Christians do fulfill the whole Mosaic law Yet they fulfill it in Spirit and not in flesh in other words according to the literal spiritual and not literal letteral sense of Scripture As a consequence they do not bolster their self righteousness and self praise To corroborate his thesis the author draws on similar wordings in other Pauline letters and several passages in the Old Testament from Exodus Jeremiah and Ezekiel The author concludes that the New Perspective on Paul has run its course A New Quest for Paul is needed Therefore this book is needed
