**For His Name Yeshua** Rebecca Hazelton,2014-02-17 If you are a person who does not simply accept what you ve been taught then this book is for you If you love to dig into the Holy Scriptures to do research and to find original meanings of words and if you like to study history both to understand the Biblical culture and the Christian culture of today then you will enjoy what you find here You are invited to be spiritual archeologists to carefully uncover what is missing in our understanding of Yeshua and His Name things that have gotten lost in translation in transliteration and in tradition What you discover will ignite a fire in your spirit to continue digging to really know Yeshua from the Tribe of Judah and the House of David the Savior of both Jews and Gentiles to know the depth of the meaning of His real Name and to know the richness of the Hebrew culture He designed This excavation is for tearing down restoring and rebuilding Life will come out of dead stones which will shout in praise to YHVH the Eternal God

**His Name is Wonderful** Leslie Hardinge,1993 In the 25 chapters of this book Dr Leslie Hardinge has sought to bring out the highlights of twenty three of the most common names of God found in the Bible

**For His Glory** Joshua Olumoye,2023-10-11 I wondered why God waited for the 3 Hebrew boys to be thrown to the fire before he showed up but at the end of the story his name was glorified by the king and the whole nations In that battle you think will never end God waiting so he can be glorified In everything God want to be glorified God does not participate in anything that will not glorify him even in our deliverance

□□□ □□□□□□□□ **HaDavar (The Word of □□□□)** Daniel Perek,2022-03-02 This book is a temporary Volume IV in a four volume set on Messianic Judaism by scholar Daniel Perek It is an English translation of the Aramaic Peshitta New Testament and will soon be accompanied by a Hebrew translation of the same The goal of this New Testament is to put the Aramaic Peshitta text back into its cultural context as much as possible linguistically by transliterating Hebrew names and other words and looking more closely at the translation of certain words and concepts It is the author s contention that the Aramaic texts preceded the Greek NT texts and that this version will help readers see some of the reasons why Namely the use of the Name or in the Aramaic would not be so strategically used in an Aramaic translation from the Greek as it is in the Aramaic Peshitta texts so one can easily see the Name as it was used by Yeshua and His Talmidim Disciples Further the Name Yeshua the given human name of the Messiah is affirmed as Yeshua in the Aramaic Peshitta texts and is seen readily within this volume The Hebrew translation will be completed shortly offering the same and more to the Hebrew reader

**YHVH Elohim My people** Paul Ripamonti,2019-06-28 This book is a collection of insights that Jesus by His Spirit has illuminated to me as a result of searching His Word for Truth biblical Truth Biblical Truth I believe is not dependent upon who preaches it or who believes it but whether or not it is in agreement with tested against His Word Wherever the name Jesus is used it implies either Jesus or Yeshua of Nazareth Wherever His Word is used it implies His Original Word the original Hebrew and Greek in so far as that is possible today As I earnestly searched the various Bible translations original Hebrew and Greek texts concordances and

the vast amount of information available to everybody today I found that today there seems to be much confusion about what is called Truth and what is actually biblical Truth I was amazed to find unfortunately that what is being taught does not match biblical Truth What I found is that most of what is taught today is in fact traditions of man His Word corrupted

*NEW TESTAMENT CONTEXTUAL COMMENTARY* Dr. Robert R. Seyda, 2024-10-25 Now the beloved Apostle states clearly that if we love God we will obey His commands And those commands are not difficult for us to obey After all He came to be the Savior of the world So three things show us clearly that Jesus came from God Those things are the Holy Spirit the water of Jesus baptism and the blood of His death on the cross Therefore everyone who believes in Jesus the Son of God will know that what God says is true But anyone who does not believe in God is saying that God tells lies They just do not believe the message that God told us clearly about His Son You don't want to be one of those people Truly we can trust God to help us when we turn to Him We know that He will hear us When we ask for anything that He wants us to have He listens to us This is especially true when we see another Christian doing something bad this is what we should do If it is a sin that does not cause death pray that God will help him Then God will help that person to live forever with Him We should settle it in our minds that nobody who has become a child of God continues to do wrong things Instead the Son of God keeps them safe so that Satan cannot do anything to keep them from going to heaven So I beg you says John do not put anything in this world or of this world before God COMMENTARY BOOK OF REVELATION Andre Dellerba, 2021-12-29 Extensive verse by verse commentary on the Book of Revelation with charts images and maps while addressing controversial passages The commentary includes additional side notes which are merely comments inspired by the passage The scripture for the commentary is the Authorized KJV 1769 Translation however a few times the various Textus Receptus Koine Greek source text is used for deeper insight

**Finding Peace through Prayer** Mitch Everingham, 2022-11-16 We don't have to look far to see that our world is full of hardship and pain It's a matter of when not if suffering enters our lives or the lives of those we love In those moments how are we called to pray Finding Peace through Prayer is a companion and guide for Christians living in hard times There are many books that talk about why or what to pray but Finding Peace through Prayer is a practical guide that shows you how to pray in times of sorrow and hardship This book is an invitation for those who are experiencing suffering to discover the peace of Christ through prayerful practices It's a resource for those who want to pray for people in their lives that are enduring seasons of hardship And it's a manifesto for those who are familiar with the pain and agony of life but long to keep trusting Jesus Drawing from his own journey through suffering Mitch Everingham gently walks readers through seven biblical ways to pray in their most difficult moments These practices will be a balm for your soul helping you to love Jesus and keep hold of your faith when it feels like life is falling apart Finding Peace through Prayer is a book of practices for believers who live in hard times and therefore it's a book for all Christians **Rastafari and It's**

**Shamanist Origin's.** Wade Bailey, 2007-12-01 This book is a work on the Origins of the Millenarian movement of Rastafari

from a former Rastafari The book examines the deification of Haile Selassie and its pagan idolatrous character from a biblical perspective     **The TRUE Disciples of the Modern Age** Sha'ul Dag,2012-08-14 There is a massive deception that has come over the whole world What we were raised to believe is not what is true We were given Scripture in order to know how to make it to the Kingdom of Heaven Many religions claim to teach from Scripture but the fact is the Scriptures tell a different story So many different theologies have led so many people to believe in things that are contrary to what our Creator truly wants from us There are stereotypes practices and biases that were established thousands of years ago just so we could be deceived today This may be the most important book you will ever read IF you truly want to make it to the Kingdom Do you have what it takes to be a TRUE Disciple     **The Jewish Trinity** Yoel Natan,2003 Conventional wisdom states that the Hebrew Scriptures only hint that there are persons of Yahveh This book shows that Moses and other Bible writers wrote strikingly and often both about the Trinity and the deity of the Messiah The Old Testament is as explicit about the Trinity and the deity of the Messiah as is the New Testament The reader of this book will come to know the Trinitarianism in the Hebrew Scriptures that Yahvists knew The reader of this book will come to read the Bible the same way the inspired writers intended it to be read as Trinitarian     **Mattityahu** Suzanne Linett,2014-11-14 Suzanne Linett provides the reader with an understanding of the Hebrew definitions of many of the names and words used in Scripture that provide insight into the meaning and intent not clearly understood in English In addition insight is given into Jewish culture and manner of worship that give context to the teaching of our Lord and Messiah and understanding that cannot be obtained solely through study of the English translation Let my cry come near before thee O Lord give me understanding according to thy word Psalm 119 169     **Second Witness: Analytical and Contextual Commentary on the Book of Mormon** Brant A. Gardner,2007-09-01 Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of Mormon Second Witness a new six volume series from Greg Kofford Books takes a detailed verse by verse look at the Book of Mormon It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a historical document Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics anthropology and ethnohistory the commentary approaches the text from a variety of perspectives how it was created how it relates to history and culture and what religious insights it provides The commentary accepts the best modern scholarship which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon's setting For the first time that location its peoples cultures and historical trends are used as the backdrop for reading the text The historical background is not presented as proof but rather as an explanatory context The commentary does not forget Mormon's purpose in writing It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of convincing the Jew and Gentile that Jesus is the Christ the Eternal God     **Judah, Tell Ephraim It's Time** Thomas H.
