Frugal Theatergoers Guide:

Cheap Bastard's™ Guide to Boston Kris Frieswick, 2009-09-18 Boston writer and humorist Kris Frieswick gives sound advice on how to live the good life in Beantown for peanuts Thrifty readers will discover where to have all kinds of fun experience the city's culture and fortify themselves with grub and brew all for a pittance Also includes tips on how to break into Boston's social network a great source of free parties and events

Brandon's Guide to Theater in Asia James R. Brandon, 2021-05-25 From India to Japan the theater of Asia spreads out like a brilliant kaleidoscope There are dance dramas ballets masked pantomimes operas operettas shadow plays puppet plays and more You will see not only actors and actresses but elegant and exquisitely costumed court dancers musicians singers and chanters You will hear songs and heroic narratives and flights of poetic dialogue Drums will thud and gongs will boom Everywhere you go the colors sights and sounds will vary enormously from place to place But it is not easy to discover where theaters are what types of plays are being staged or the hours days and seasons of performance The purpose of this Guide is to help the traveler in Asia find and enjoy exciting living theater The author's personal experience and knowledge of theater in Asia will be an indispensable resource to the traveler who cares about theater but knows little about Asia Brandon describes and evaluates the many theatrical forms itemizing in detail the festival or theater seasons and locations and types of theater buildings The Guide also lists theater street addresses phone numbers best route to the theater hours and days of performances best and worst seats in the house and times and places to buy tickets Noted also is whether the theatergoer should bring a blanket a folding chair or a snack or plan on a gourmet dinner in any one of several restaurants in a deluxe theater complex Approximate prices in each local currency are given for tickets taxis meals programs etc For each country there is a list of relevant books to read before or upon arrival for each city there is a list of local newspapers theater guides and other sources of information

A Theatergoer's Guide to Shakespeare's Characters Robert Thomas Fallon, 2004-03 Designed to enhance the playgoer's enjoyment of a performance but it also makes for enlightening reading after the show Intended for the general reader it is written in plain but not inelegant English and avoids the specialized language of the theater and academy

The Playwright's Guidebook Stuart Spencer, 2002-03-29 A concise guide to playwriting to awaken creativity from a playwright who has taught the subject for over a decade If you want to be a playwright here's your bible David Lindsay Abair author of Fuddy Meers and Wonder of the World During the more than ten years that Stuart Spencer has taught playwriting he has struggled to find an effective handbook for his courses Although most of the currently popular guides contain useful ideas they all suffer from the same problems poor organizations quirky idiosyncratic advice and abstract theorizing on the nature of art As a result they fail to offer any concrete information or useful guidelines on how to construct a well written play Moreover few of these books are actually written by working playwrights Out of frustration Spencer wrote his own The result The Playwright's Guidebook is a concise and engaging handbook full of the kind of wisdom that comes naturally with experience Spencer presents a coherent

way of thinking about playwriting that addresses the important principles of structure includes insightful writing exercises that build upon one another explores the creative process and troubleshoots recurrent problems that playwrights actually face The Playwright's Guidebook is indispensable Clearly and thoroughly Mr Spencer a playwright himself leads all playwrights not only the beginner through the travails of creation and the jungle of production Edward Albee Eureka A clearly written well structured intelligent how to book about playwriting Like the good teacher and good writer that he is Stuart Spencer guides rather than browbeats Should be next to the laptop of any aspiring or working playwright Warren Leight author of Side Man *I Love New York Guide* Marilyn J. Appleberg,1992 This fifth edition of the I Love New York Guide covers restaurants theatres concerts movies museums art galleries sports shops department stores nightclubs taverns parks gardens libraries and more The guide also contains a wealth of information on New York's buildings and landmarks public events noted sights and other lesser known points of interest Special features include a full colour fold out subway and street map an A Z shopping guide and a directory of emergency services **The Harriman Institute Forum** ,1989
