

The background of the slide is a photograph of a person standing on a dark, silhouetted hill or dune at night. The person is facing away from the camera, looking up at a vast, starry sky. The Milky Way galaxy is visible, stretching diagonally across the frame from the bottom left towards the top right. The sky is a mix of deep purple, magenta, and yellowish-gold, with numerous stars of varying brightness. The overall mood is contemplative and awe-inspiring.

Fulfilling Prophetic Destiny:

Fulfilling Prophetic Destiny James Davis, 2014-11-30 A strategic faith filled book that addresses a person's purpose and helps reposition that person to fulfill their life's assignment so that they experience an extraordinary life. This book assists a person with the mental and spiritual fortitude to help bring about what has been spoken over their life. *Fulfilling the Feasts of Israel* Velda Stearns, 2013-03-29 The seven Jewish feasts which God gave to ancient Israel help unlock the entire Bible. They were not feasts as we think of them but were structured around the sacrificial altar to worship God. The Jewish people have celebrated these feasts in one form or another for 3,500 years totally unaware they are rehearsing future events that point to the Messiah. It is unfortunate that Christians rarely celebrate the feasts or understand their significance. The feasts reveal God's divine seven thousand year plan of salvation for mankind. Each feast is celebrated on the same day each year to remind of a special time in the history of Israel. They reveal a record of atonement in the Old Testament and point to redemption in the New Testament. The seven feasts paint a beautiful picture of God's plan of salvation through Christ His Son. They point to the soon return of our Savior Jesus Christ and the glorious future reign of the Messiah. Christians refer to Him as Jesus Christ while messianic believers call Him Yeshua. Understanding the significance of the feasts encourages believers to share the good news of salvation with the lost. I pray you will be greatly blessed as you read *Fulfilling the Feasts of Israel*.

Luke's Rhetorical Compositions Paul Elbert, 2022-07-19 Luke's Rhetorical Compositions offers new ideas in Lukan scholarship especially in regard to Aelius Theon's first century rhetoric manual *Progymnasmata* and intertextual Lukan Pauline biblical studies. Two chapters deserve special mention; the material in chapter 3 is a groundbreaking discussion of Acts 2:38 in which its Greek verb tense speaks to the subsequent reception of the gift of the Holy Spirit following salvation, not coincident with salvation. In Acts 2:38 it is Luke's intention to portray Peter as promising the gift of the Holy Spirit to hearers and to those beyond narrative time as a Pentecostal experience. Chapter 9 discusses Luke's use of progymnasmatic examples in his descriptions of the salvation experience. It also discusses Luke's clarification of Paul using narrative persuasion from Jesus' tradition and history. Also, Luke's use of basic soteriological vocabulary provides clarity and plausibility. His distinctive selection of examples from the Jesus tradition and his duplication of Paul's soteriological vocabulary is very helpful. *Abiding in His Presence* Chuck D. Pierce, Alemu Beeftu, 2024-01-02 Get Ready to Reveal the Fullness of God's Glory. Do you have a passion to fulfill God's purpose in your life yet find yourself repeating the same old patterns? Do you long to move in the power and anointing of the Holy Spirit yet continue to hit wall after wall? Offering healthy doses of hope and help, global prophetic leaders Chuck D. Pierce and Alemu Beeftu reveal that the key to a life of purpose and power lies in the hidden path to abiding in Christ. Through sound biblical teaching, prophetic insight, and real world application, they guide you through the process of walking with him and remaining in his presence, including how to be set apart, pay the price of obedience, seek His face persistently, link godly desire to faith, embrace your covenant relationship with God, overcome the

deception of the enemy In the coming days it s vital that we as the Body of Christ learn to abide making presence driven lives our reality and bearing the supernatural fruit this world so desperately needs **Prophecy Fulfilled** Gary

Gallant,2023-09-03 This book is a daily devotional of the prophecies from the Old Testament fulfilled throughout history The foretelling from these prophets is historically accurate Most are fulfilled by Jesus Christ alone Jesus talks about fulfilling the Law and the prophets In the Sermon on the Mount Jesus said that He had not come to abolish the Law or the prophets but to fulfill them Matthew 5 17 Scripture tells of prophets their warnings and their prophecies Some spoke of good things to come while others described desperate times The fact that Jesus fulfilled the Law the Prophets and the Writings reminds us that the Word of God is true steadfast and eternal God is active in every moment Prophets foretold the birth of Jesus and how He would face trials disappointment the unbelief of the people torture and death on the cross Scripture tells how Jesus would rise on the third day and ascend into Heaven to sit at the right hand of His Father Through each word spoken and each action Jesus showed what would happen Jesus knew that the plan of His Father was the best By reading and studying the Word of God we learn that everything Jesus said would happen is true Although not all prophecies have been fulfilled yet Christians know that the day is coming when Jesus will return *Hidden on Purpose for His Purpose* Bishop Jackie L. Ice,2017-02-20 The modern state of Israel has been a nation for almost 70 years When she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really relates to end time Bible prophecy The Case for Zionism attempts to bring together biblical historical and legal arguments for the legitimacy of the startup nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day **The Process**
