**Undetected** Dee Henderson, 2014-04-29 When asked what he does for a living Commander Mark Bishop is deliberately low key I m in the Navy But commanding the ballistic missile submarine USS Nevada keeping her crew trained and alert during ninety day submerged patrols and being prepared to launch weapons on valid presidential orders carries a burden of command like few other jobs in the military Mark Bishop is a man who accepts that responsibility and handles it well And at a time when tensions are escalating around the Pacific Rim the Navy is glad to have him Mark wants someone to come home to after sea patrols The woman he has in mind is young with a lovely smile and very smart She s a civilian yet she understands the U S Navy culture And he has a strong sense that life with her would never be boring But she may be too deep in her work to see the potential in a relationship with him Gina Gray would love to be married She has always envisioned her life that way A breakup she didn t see coming though has her focusing all her attention on what she does best ocean science research She s on the cusp of a major breakthrough and she needs Mark Bishop s perspective and help Because what she told the Navy she s figured out is only the beginning If she s right submarine warfare is about to enter a new and dangerous chapter

Henderson,2013-10-01 Charlotte Graham is at the center of the most famous kidnapping in Chicago history The task force of FBI and local cops found her two abductors killed them rescued her but it took four very long years The fact she was found less than three miles from her home had been there the entire time haunts them She s changed her identity found a profession she loves and rebuilt her life She s never said a word to the cops to her doctors to family about those four years A family legacy has brought her back to Chicago where a reporter is writing a book about the kidnapping The cops who worked the case are cooperating with him Her options are limited Hope the reporter doesn t find the full truth or break her silence about what happened And her silence is what has protected her family for years Bryce Bishop doesn t know her past he only knows she has coins to sell from her grandfather s estate and that the FBI director for the Chicago office made the introduction The more he gets to know Charlotte the more interested he becomes an interest encouraged by those closest to her But nothing else is working in his favor she s decided she is single for life she struggles with her faith and she s willing to forego a huge inheritance to keep her privacy She s not giving him much of an opening to work with Charlotte wants to trust him She needs to tell him what happened Because a crime cops thought was solved has only opened another chapter
