That Is All John Hodgman,2012-10-02 John Hodgman bestselling author The Daily Show s Resident Expert minor television celebrity and deranged millionaire brings us the third and final installment in his trilogy of Complete World Knowledge In 2005 Dutton published The Areas of My Expertise a handy little book of Complete World Knowledge marked by the distinction that all of the fascinating trivia and amazing true facts were completely made up by its author John Hodgman At the time Hodgman was merely a former literary agent and occasional scribbler of fake trivia In short a nobody But during an interview on The Daily Show with Jon Stewart an incredible transformation occurred He became a famous minor television personality You may ask During his whirlwind tornado ride through the high ether of minor fame and outrageous fortune did John Hodgman forget how to write books of fake trivia The answer is Yes Briefly But soon he remembered And so he returned crashing his Kansas farmhouse down upon the wicked witch of ignorance with More Information Than You Require a New York Times bestseller containing even more mesmerizing and essential fake trivia including seven hundred mole man names and their occupations And now John

Hodgman completes his vision with *That Is All* the last book in a trilogy of Complete World Knowledge Like its predecessors *That Is All* compiles incredibly handy made up facts into brief articles overlong lists and beguiling narratives on new and familiar themes It picks up exactly where *More Information* left off specifically at page 596 and finally completes COMPLETE WORLD KNOWLEDGE Look out for John Hodgman's latest book *Vacationland* available from Viking in Fall 2017 **the best topical comic paper moonshine** ,1882 *Soldier at Bomber Command* Charles Carrington,1987-01-01 It was certainly not through the foresight of his senior officers that Charles Carrington a veteran of the First World War was enabled to put his experience in that earlier conflict to good use in the Second as readers of this remarkable book will soon learn However by great good fortune he found himself in a position where his experience of things past could be adapted to the needs of a virtually untried aspect of warfare that of Army Air Force Co operation As an Army Officer in a world of high ranking Airmen it was his task to walk the tightrope between the two Services in an effort to persuade both parties that neither could win the war without the other and that co operation was preferable to self interest The words *prima donna* crop up frequently in the story and one is not surprised when the author remarks while we were organising signal exercises and such necessary menial chores at which the Services worked together without a hitch our problem was to get the Great Chiefs to stop quarrelling Although he describes his experiences with cheerful modesty it is clear that this unsung armchair soldier played a vital role in the back room battle that had to be resolved before the war proper could be waged with efficiency Apart from his being privy to much information that remained Top Secret for many years after the war Readers will soon see that his views on some of the Top Brass might have had unpleasant repercussions had they been aired too soon But those who have read his earlier works as well as those who come afresh to the work of this fluent and clear sighted writer will surly agree that the wait has been worthwhile **The Life and Times of Last Minute Reilly** Jim Craig, Lawrie Reilly, Ted Brack, Tommy Gemmell, 2011-11-08 Lawrie Reilly is one of Hibernian and Scotland's greatest ever players A member of Hibs legendary Famous Five forward line he played a key part in the most successful period in the club's history Lawrie's career was a real success story He won the Scottish League title three times with Hibs and was the club's leading goal scorer for seven successive seasons a record that remains unmatched In *Last Minute Reilly* Lawrie now reveals for the first time what it was like to be a member of the Famous Five what made him the incredible player he was his views on why his Hibs team never won the Scottish Cup and his thoughts on the characters in the game He also tells the full story of why he decided to go on strike who brokered the deal to get him back on the field doing what he did best and how he sustained the injury that ended his career before the age of thirty In his international career Lawrie Reilly achieved a goals per game record for Scotland that has never been bettered 22 goals in 38 games He was always at his very best against England and his knack of scoring late equalisers against the Auld Enemy earned him his nickname of Last Minute Reilly along with everlasting popularity amongst Scotland fans *Last Minute Reilly* is the story of a genuine footballing great a legend of the game and one of football
