Learning Zulu Mark Sanders, 2019-06-04 Why are you learning Zulu When Mark Sanders began studying the language he was often asked this question In Learning Zulu Sanders places his own endeavors within a wider context to uncover how in the past 150 years of South African history Zulu became a battleground for issues of property possession and deprivation Sanders combines elements of analysis and memoir to explore a complex cultural history Perceiving that colonial learners of Zulu saw themselves as repairing harm done to Africans by Europeans Sanders reveals deeper motives at work in the development of Zulu language learning from the emergence of the pidgin Fanagalo among missionaries and traders in the nineteenth century to widespread efforts in the twentieth and twenty first centuries to teach a correct form of Zulu Sanders looks at the white appropriation of Zulu language music and dance in South African culture and at the association of Zulu with a martial masculinity In exploring how Zulu has come to represent what is most properly and powerfully African Sanders examines differences in English and Zulu language press coverage of an important trial as well as the role of linguistic purism in xenophobic violence in South Africa Through one person's efforts to learn the Zulu language Learning Zulu explores how a language's history and politics influence all individuals in a multilingual society

The Politics of Potential Michelle Pentecost, 2024-01-12 The first one thousand days of human life or the period between conception and age two is one of the most pivotal periods of human development Optimizing nutrition during this time not only prevents childhood malnutrition but also determines future health and potential The Politics of Potential examines early life interventions in the first one thousand days of life in South Africa drawing on fieldwork from international conferences government offices health care facilities and the everyday lives of fifteen women and their families in Cape Town Michelle Pentecost explores various aspects of a politics of potential a term that underlines the first one thousand days concept and its effects on clinical care and the lives of childbearing women in South Africa Why was the First One Thousand Days project so

readily adopted by South Africa and many other countries Pentecost not only explores this question but also discusses the science of intergenerational transmissions of health disease and human capital and how this constitutes new forms of intergenerational responsibility The women who are the target of first one thousand days interventions are cast as both vulnerable and responsible for the health of future generations such that despite its history intergenerational responsibility in South Africa remains entrenched in powerfully gendered and racialized ways
