Schools for Special Needs 2012-2013 Gabbitas,2012-11-03 Special needs provision continues to be the focus of much attention A growing emphasis on the importance of meeting individual and often complex needs means that finding the right school for your child can be a complicated process Schools for Special Needs is an indispensable aid for anyone investigating the legal and practical aspects of SEN provision for children and young people at all stages of education Included in this edition assessment and identification of needs statementing suitable provision and school choice coverage of all special needs from ADHD and Autism to Speech and Language Difficulty and Visual Impairment where to seek help parents rights and the role of the local authority the Special Educational Needs Code of Practice directories of independent and non maintained special schools colleges and support services state maintained special schools and mainstream independent schools with specialist provision To see schools online visit the Guide s website at www.schoolsforspecialneeds.co.uk *Independent Schools Yearbook 2012-2013* none,2013-06-20 The highly respected book of reference of sought after Independent Schools in membership of the Independent Schools Council s Associations HMC GSA The Society of Heads IAPS ISA and COBIS *The Best For My Child: Did the market really deliver?* Fiona Millar,2018-05-21 Parent choice diversity of school provision and the idea of a quasi market in schools have dominated education policy for the last thirty years since the passage of the 1988 Great Education Reform Act But has the market worked in the way that was intended Are schools better Do we have a fairer school system Do parents really have choice Author and journalist Fiona Millar looks at why these policies have proved so seductive to a generation of politicians and seeks to uncover whether we really are doing the best for all our children If we are not what future reform could and should look like This is an area that has preoccupied me since the early 1990s when my own children s school was one of the first to be named and shamed by Ofsted explains Millar We had first hand experience of how the market worked in practice so this is an area I have followed with close interest every since Thirty years on from the 1988 Act I feel we are ready for a new approach but that is important to understand what worked and what could be better I hope my book will help to answer those questions *Homework with Impact* Andrew B. Jones,2021-08-30 This book reveals the types of homework activity that are most beneficial to pupils attainment and makes sense of the research on homework and how it can be used most effectively Suggesting ways in which the impact of homework can be improved this book offers practical ideas strategies and activities that teachers can implement trial and adopt in their own classrooms The guidance in this book is based on over 5 years research and links current evidence from cognitive psychology on retrieval practice spacing and interleaving to the setting of homework The book includes the following suggestions for effective preparation tasks a discussion on metacognition and how this can help pupils revise and complete schoolwork independently an overview of how we can effectively check homework the importance of feedback how schools can support pupils and parents with homework as well as the importance of having a crystal clear homework policy This is essential reading for for school leaders

and teachers of all subjects across all phases wanting to ensure that their homework activities have a real impact on pupil s learning

Chinese Students in UK Further Education Rosemary A. Reynolds,2017-12-15 Chinese students in the UK have been increasing in number for many years yet competition from other Western educators and increasing investment in China s own education system has led to concern that UK institutions may soon see a decline in their market share Dr Reynolds addresses this issue in *Chinese Students in UK Further Education* by attempting to understand students experiences from their perspective Beginning with an exploration of why these students choose to come and study in the UK and why they are coming at younger ages the book goes on to discuss topics such as risk technology and diversity in order to understand which factors have the greatest influence on where they choose to study and whether they choose to remain at an institution Drawing on data from two different education institutions providers of GCSE A level programmes for students aged 16 18 years Dr Reynolds attempts to understand what these students experience during their studies how they manage new social relationships and whether upon course completion they achieved the results they desired at the outset Moreover the book aims to ascertain whether the students feel in hindsight that the decision to risk investing in UK further education was right and what they might communicate about UK study to contacts in China and elsewhere The book examines what further education institutions do well and where they might improve to help develop Chinese students educational experiences As such it will be essential reading for academics researchers and postgraduates in the fields of further education sociology of education international and intercultural education and mobility studies

Social Policy in a Cold Climate Ruth Lupton,Tania Burchardt,John Hills,Kitty Stewart,Polly Vizard,2016-04-20 *Social Policy in a Cold Climate* offers a data rich evidence based analysis of the impact Labour and coalition government policies have had on inequality and on the delivery of services such as health education adult social care housing and employment in the wake of the greatest recession of our time The authors provide an authoritative and unflinching analysis of recent approaches to social policy and their outcomes following the financial crisis with particular focus on poverty and inequality Through a detailed look at spending outputs and outcomes the book offers a unique appraisal of Labour and the coalition s impact as well as an insightful assessment of future directions This volume offers a much awaited follow up to the critically acclaimed *A more equal society* 2005 and *Towards a more equal society* 2009

System Leadership Susan Cousin,2019-03-21 *System leadership* defined as leading beyond a single institution is a feature of the English education system which has been heralded as both the solution to school improvement and an extension to the school leadership career ladder However claims that it evidences a change of governance towards increasing self regulation of the education system are contested Susan Cousin explores the governance and policy perspectives of system leadership She captures rich narratives over several years from the lived experience of system leaders headteachers they worked with and those brokering the relationships The daily realities of the challenges they faced include tensions arising from conflicted governance environments where autonomy coexists with accountability

and collaboration with competition Identifying four types of system leader the Hero head the Auditor the Protector and the Collaborator she presents a conceptual model of system leadership practice A clear explanation of how different approaches affect power relationships the nature of trust and types of learning the model can be used to inform decisions made by current and future system leaders and those who make policy The book concludes by reaffirming the power of system leadership to deliver educational reform and the need to avoid unintended consequences including the fragmentation of the system and increased inequality
