Generalist Case Management Marianne Woodside, Tricia McClam, 1998 Focusing on the how tos of gathering information writing reports assessing clients progress

and seeking out resources as a client advocate this useful book is designed to help beginning practitioners and practicum students develop the skills they need to coordinate and provide direct services to a variety of populations Ideal for any beginning helper the book includes real life vignettes that illustrate the many ways in which case management is used in service delivery Case Management from an Empowerment Perspective, Fourth Edition Patricia Spindel,2020-12-29

Written for case managers working in health and human services this practical guide addresses the need for more progressive and compassionate ways of working with others Introducing innovative strategies for working with people that challenge the status quo the book reconsiders old forms of social casework in favour of empowerment approaches that incorporate individual systemic advocacy Patricia Spindel covers the history of case management traditional approaches and their critiques barriers to an empowerment approach the ethical issues of labelling stereotyping stigmatization and pathologizing and key empowerment philosophies and the research that supports them This guide provides concrete methods that will help readers put principles of empowerment philosophy into practice With practical case studies and questions for reflection featured throughout the chapters it is well suited for human services social services and social work programs in colleges and universities in Canada FEATURES Offers a practical how to for developing an empowerment plan and deals with common issues in practice such as projection countertransference and transference Includes core concepts of empowerment and methodology for building individual and community capacity and competence Provides students with case studies from the field and questions to encourage reflection *Fundamentals of Case and Caseload Management* Lee Ann Rawlins Williams,Gina Oswald,2024-03-19 Helps rehabilitation students and professionals successfully navigate the intricacies of case and caseload management in collaborative settings Master the art of case and caseload management in rehabilitation counseling with this comprehensive guide Anchored in real world practice it delivers proven strategies multicultural insights and collaborative techniques to help professionals and students streamline workflows prioritize cases and make ethical decisions Includes interactive pedagogy tech tools and flexible learning formats for academic and professional development Key Features Covers prioritization resource allocation collaboration ethics tech tools and documentation for rehab case management Gain tools to manage complex cases efficiently make ethical decisions and collaborate across rehab disciplines Features Putting It into Practice sections case studies and discussion questions to support critical thinking and application Authored by experts in rehabilitation counseling with deep experience in interdisciplinary collaboration and professional training The Human Services Internship Experience Marianne Woodside,2016-03-09 The Human Services Internship Experience Helping Students Find Their Way aims to help students in field based courses bridge theory and practice during their internships The goal is to show students how to apply their academic work in a real world setting and to confirm and expand their identity as human service professionals **Encyclopedia of Human Services** Howard Rosenthal,2014-07-02 Dr Howard Rosenthal author of the best selling counseling exam book of all time the Encyclopedia of Counseling has now

created the Encyclopedia of Human Services Master Review and Tutorial for the Human Services Board Certified Examination HS BCPE Helpers can read this book to snare the Human Services Board Certified Practitioner HS BCP credential to take their career to the next level Dr Rosenthal s unique reader friendly style actually makes exam prep enjoyable Reads like a novel but imparts information like a graduate text Who else wants to say I passed

Competency in Generalist Practice Elizabeth Moore Plionis,2007 Competency in Generalist Practice features an original and timely social work practice model that will transform the way generalist and evidence based practice are taught Writing with outstanding clarity and sense of purpose Elizabeth Moore Plionis guides students in the use of a decision tree that will help them take a conscious theory and evidence based approach to solving the complex problems they will face as social workers This book is a concise but powerful tool for learning how to become an effective social work practitioner Presents direct and indirect practice in alternate chapters rather than separate volumes comparing and contrasting them in an easy to grasp manner Includes chapters on topics rarely found in comparable texts including professional regulatory and fiduciary responsibilities case and class advocacy and service delivery to impoverished families and children Covers important macro practice skills such as non clinical communication crisis management and the use of groups in policy management and community and social change Features flow charts decision schemas and examples of process recordings that vividly illustrate the material Incorporates both traditional and new theories into the discussion linking them to technique and putting them in the context of direct and indirect methods at each step of the decision hierarchy Supplemented by a companion website that contains slides and a teachers guide for download

Generalist Practice Eleanor Reardon Tolson,William James Reid,Charles D. Garvin,2003 This basic textbook seeks to establish a task centered methodology a structured short term problem solving approach applicable across systems at five levels of practice the individual the family the group organizations and communities The second edition offers more information on systems theories and includes case studies with each chapter Checklists are provided for each level of practice along with questions for consideration and practice exercises to help students monitor their understanding and skill development

[The Practice of Generalist Social Work](#) Julie Birkenmaier,Marla Berg-Weger,2017-05-25 Straight Talk about Interventions Unexpected Events and Ongoing Evaluation
