Grand Designs Episode Guide Series 12:

Small is Necessary Anitra Nelson, 2018-01-20 Does small mean less Not necessarily In an era of housing crises environmental unsustainability and social fragmentation the need for more sociable affordable and sustainable housing is vital The answer Shared living from joint households to land sharing cohousing and ecovillages Using successful examples from a range of countries Anitra Nelson shows how eco collaborative housing resident driven low impact living with shared facilities and activities can address the great social economic and sustainability challenges that householders and capitalist societies face today Sharing living spaces and facilities results in householders having more amenities and opportunities for neighbourly interaction Small is Necessary places contemporary models of alternative housing and living at centre stage arguing that they are outward looking culturally rich with low ecological footprints and offer governance techniques for a more equitable and sustainable future Montgomery Ward & Co.
