High Performance Team Leadership Strategies For Your Leadership Excellence:

Leadership Excellence: Creating a New Dimension of Organizational Success Peter Hughes, 2018-12-12 If you're stuck in an old leadership paradigm get ready for marginal performance and disappointing results. With change quickening every day it's more important than ever to create a positive and enabling culture to thrive. In this business guidebook to leadership excellence Peter Hughes explores how to motivate and engage employees, fix problems that will have an immediate impact on your bottom line, discern the differences between management and leadership, and help employees overcome their greatest challenges. The author also examines whether leaders are born or whether anyone can become a successful leader. Ways lean concepts are being applied differently in organizational settings and why smart people so often fail after being promoted to the managerial ranks. Take a journey that leads to substantial improvements in performance and create a positive culture where everyone is poised to succeed with this leadership guidebook.
