Humans were created to bless one another those they love and those they do not According to Scripture Num 6 27 God promises to release more of his blessings more of his goodness grace and love into the world In Hebrew the word for bless means God s intention When people speak words of blessing in God s name they are praying for the fullness of God s intentions to be released into their lives In a world where division and polarization are becoming normative God gives a new ministry resource blessing ministry The power of blessing can bridge those gaps and bring healing to the individuals involved There is no individual situation no community need where blessing prayers are not beneficial Wherever there is joy and celebration in people s lives blessing prayers bring only more joy and thanksgiving There is an awakening in the lives of God s people wherever the ministry of blessing is being taught and practiced Communities are experiencing greater health Churches are becoming more alive Hearts are being healed and lives transformed simply by blessing others in Jesus name God is calling his people to become a people of blessing **Blessings & Rituals for the Journey of Life** Susan

Counting My Blessings Pons B. Manalo,2017-03-15 Counting My Blessings by Pons B Manalo When Pons B Manalo was attending a retreat or any session everyone was always asking for him to share his life On these occasions oftentimes attendees and other relatives of Helen were pushing him to write a book about himself He had no intention of summarizing his life story however an Arabian student who was boarding in his house pushed him hard saying that many people will benefit from it Manalo then realized that maybe people with the same predicament may learn something about confronting challenges in life They must have strong dedication and faith in themselves compounded with infinite trust in God With these arms within him there is no thorny road that he cannot walk over The success of his life is within his reach if he only digs deep into his capabilities without stopping until the light of the tunnel is beaming upon him Whatever endeavor he wants to achieve he must be sedulously determined in every effort to reach the goal Laziness is a ticket to the deleteriousness of his ambition God helps those who help themselves
