

MARK SCHEME for the May/June 2010 question paper
for the guidance of teachers

5090 BIOLOGY

5090/21

Paper 2 (Theory), maximum raw mark 80

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

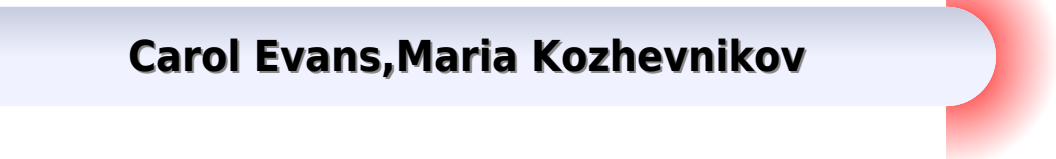

- CIE will not enter into discussions or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the May/June 2010 question papers for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

Higher Biology 2002 Marking Scheme

Carol Evans, Maria Kozhevnikov

Higher Biology 2002 Marking Scheme:

Adopting the Tune of Term: An Emotional Symphony within **Higher Biology 2002 Marking Scheme**

In a world taken by displays and the ceaseless chatter of quick conversation, the melodic beauty and psychological symphony produced by the published term often fade into the back ground, eclipsed by the persistent sound and distractions that permeate our lives. But, located within the pages of **Higher Biology 2002 Marking Scheme** a charming literary treasure full of organic emotions, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, that interesting masterpiece conducts visitors on an emotional journey, skillfully unraveling the hidden melodies and profound affect resonating within each cautiously crafted phrase. Within the depths of the poignant examination, we shall discover the book is central harmonies, analyze its enthralling publishing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
