Houghton Mifflin First Grade Sight Words

Beverly A. DeVries

Houghton Mifflin First Grade Sight Words:

On the Miss Middleton Effect Geraldine E. Rodgers, 2022-07-20 Miss Middleton's scores are indeed a frozen moment in time which prove the existence in 1913 and 1914 of automatic phonic decoding of print as opposed to conscious psycholinguistic decoding of print. The scores also prove that automatic decoding does result from the phonic sound method to teach reading since that is how Miss Middleton's children learned to read. However, the reading experts in 1914 and after must have misinterpreted scores like Miss Middleton's wildly fluctuating scores which obviously were the result of freely wandering attention by concluding instead that the scores had proved that the sound method had failed. The truth is that such low reading comprehension scores on silent reading comprehension tests for phonic trained classes suggest the presence of healthy automatic conditioned reflexes in reading. Such scores may result from the Miss Middleton Effect of voluntarily wandering attention while reading automatically. Her children simply did not bother to pay attention to what they were reading automatically but could have done so if they felt like it. Yet the inferior deaf mute sight word method forces children's attention to meaning or they cannot read at all. They may therefore score higher on simple reading comprehension tests but far far worse on spelling and on reading correctly the actual words on the page. **Learnability of Basic Sight Words** David Joseph Gustafson, 1973 *Course of Study: Second grade* Grand Rapids (Mich.). Public Schools, 1929 **I Can Read It All by Myself** Paul V. Allen, 2021-05-28 In the late 1950s Ted Geisel took on the challenge of creating a book using only 250 unique first grade words something that aspiring readers would have both the ability and the desire to read. The result was an unlikely children's classic *The Cat in the Hat*. But Geisel didn't stop there. Using *The Cat in the Hat* as a template, he teamed with Helen Geisel and Phyllis Cerf to create *Beginner Books*, a whole new category of readers that combined research-based literacy practices with the logical insanity of Dr. Seuss. The books were an enormous success, giving the world such authors and illustrators as P. D. Eastman, Roy McKie, and Stan and Jan Berenstain, and beloved bestsellers such as *Are You My Mother?*, *Go Dog Go*, *Put Me in the Zoo*, and *Green Eggs and Ham*. The story of *Beginner Books* and Ted Geisel's role as president, policymaker, and editor of the line for thirty years has been told briefly in various biographies of Dr. Seuss, but *I Can Read It All by Myself: The Beginner Books Story* presents it in full detail for the first time. Drawn from archival research and dozens of brand new interviews, *I Can Read It All by Myself* explores the origins, philosophies, and operations of *Beginner Books* from *The Cat in the Hat* in 1957 to 2019's *A Skunk in My Bunk* and reveals the often fascinating lives of the writers and illustrators who created them. *Literacy Assessment and Intervention for Classroom Teachers* Beverly A. DeVries, 2019-05-31 The fifth edition of this comprehensive resource helps future and practicing teachers recognize and assess literacy problems while providing practical, effective intervention strategies to help every student succeed. DeVries thoroughly explores the major components of literacy, offering an overview of pertinent research, suggested methods and tools for diagnosis and assessment, intervention strategies and activities, and technology applications to increase students

skills Updated to reflect the needs of teachers in increasingly diverse classrooms the fifth edition addresses scaffolding for English language learners and offers appropriate instructional strategies and tailored teaching ideas to help both teachers and their students Several valuable appendices include assessment tools instructions and visuals for creating and implementing the book s more than 150 instructional strategies and activities and other resources New to the Fifth Edition Up to date and in line with ILA CCSS and most state and district literacy standards this edition also addresses the important shifts and evolution of these standards New chapter on Language Development Speaking and Listening covers early literacy assessment and interventions New intervention strategies and activities are featured in all chapters and highlight a stronger technology component Updated Companion Website with additional tools resources and examples of teachers using assessment strategies
